Ms. Nguyen,

The City has cursorily addressed only VSSC's initial appeal and has ignored VSSC's 26 page letter of October 5, 2020, the 95 points it contains and the excerpts VSSC sent that day, all of which the City Planning Commission acknowledged receipt of by two emails sent the morning of October 6.

To ensure they are in the record, I am attaching the City Planning Commission's two emails sent to me the morning of October 6 acknowledging receipt of VSSC's October 5 submissions.
