Subject: Hollywood Center Project DEIR

I am requesting an extension for the review process for the Hollywood Center Project. The impact of this size project needs considerable input and review from the community and the low visibility of this project means we citizens must assure informed responses. Because of new layers of homeowners responsibilities during the current stay at home requirements it is even more imperative that an extension be applied.

Thank you for your consideration,
Ms. Tree Lockie
3369 Charleston Way
Hollywood
