Subject: Please extend the comment period for Hollywood Center

As a resident of Hollywood, I ask for an extension of the period for public comment concerning the "Hollywood Center Development" . Because of the Covid pandemic, and now the public unrest, citizens could not attend meetings downtown. More time should be given to consider all the issues of the Hollywood Center. Issues like public safety, geology assessment, and traffic should be of major concern. Please allow people more time to make comments and ask questions.

thank you,
