The planning commission may not consider Covid19 a reason for extension, but:

The IRS extended payment  
The basketball season extended  
All conferences do  
Disneyland is closed  
Mortgages are extended  
Rents are cut in half  
Movie theatres closed  
Criminal Courts only emergencies  
Children's Court only emergencies  
Schools and Colleges  
Theme parks closed

But the planning commission doesn't think Covid 19 is a reason for extension?  
Seriously?
