Hi Mindy- thanks so much! More board-ups yesterday for our Museum, but fortunately the protests were peaceful at all locations.

I am circling back to my group at a zoom meeting tonight and should be able to issue the revised letter.

Thanks again—be safe

Hi Frances,

Thank you for your email. Your draft comments have been received and will be included in the administrative record for the Hollywood Center Project EIR. Response to your final comments, once received, will be provided in the Final EIR, for which you will be notified once available for public review.

Once the Final EIR is released, there will be a public hearing process for the related entitlements, at which time, I would advise that you provide any comments regarding non-CEQA related issues for the decision maker's consideration.

Please let me know if you have any questions in the meantime.

Hi Mindy: Herewith Hollywood Heritage's draft of response to Hollywood Center EIR.

We will formally send a copy of this version to you soon, and when the civil unrest is over and we can complete the unfinished items, will re-send a final version. Until you receive a revision, this is our submission

Hope you are staying safe.
