We need your input!

Please take a few minutes to provide your comments and return the completed form to the Department of City Planning. Comments must be provided in writing and can be submitted at the scoping meeting, by mail, by fax to 213-978-1343, or by email to william.lamborn@lacity.org.

The purpose of the scoping process is to identify public and agency concerns, define the issues that will be examined in the Environmental Impact Report (EIR), and help to identify Project impacts, alternatives, and mitigation measures that can lessen the significant environmental impacts from both temporary construction activities and long-term operation of the proposed Project.

The deadline for submitting preliminary comments is June 26,

2017. All written comments submitted will be considered during preparation of the Draft EIR, which will be available for public review at a later date. The Initial Study is available for review at the Department of City Planning, 200 N. Spring Street, Room 750, Los Angeles, CA 90012 and online at:
