Will/Christina,

Sorry I missed you. I was in a planning hearing.

I think our printing house needs a 3 day turnaround, so assuming the letter comes in today and we can get you everything, it would need the City's OK by 10am Monday. That would still leave us with a distribution date of Thursday or Friday. Basically, I think we have to make a decision today to keep the June 8 scoping meeting date.

I will follow up in a bit.

Brad
