Thanks for the voicemail and email. This should not be an issue as it is a requirement we committed to in our application. The reason for the letter was the OPR wanted more evidence of the commitment under PRC Section 21183(e) and (g). OPR was evidently ok with our commitment on the court of appeal costs. That said, I will add (f) [note that the language below including the old lettering – (e) is now (f)] and get a new client signature. Thanks again.

Hi Damon - I just left a vm message for you. Our Major Projects managers (Heather Bleemers is included here on this email) have reviewed the draft document and have the suggested the following language be added.....

The following paragraph should be added to the document:

"As required by Public Resources Code 21183(e), the Applicant agrees to pay the costs of the Court of Appeal in hearing and deciding any case, including payment of the costs for the appointment of a special master if deemed appropriate by the court, in a form and manner specified by the Judicial Council, as provided in the Rules of Court adopted by the Judicial Council pursuant to the Act."

You are welcome to give me a call at 213-200-4382 if there are any questions.

Thanks,
Lisa

Subject: Hollywood & Wilcox Project - needs from OPR

Importance: High

Hi Lisa,

I hope all is well with you. For the Hollywood/Wilcox project(6436 Hollywood Blvd. and 1624 Wilcox) which we are representing, we had applied some time ago for the project to be an ELDP project. In processing that application, our EIR consultant received the email below from the Governor's office. In response to that email, we have prepared the attached letter, signed by our client, and are hoping that you can also sign the letter where indicated so that we can finalize the ELDP process with the State. Please feel free to contact me if you have any questions or issues about this. I will be leaving for a couple of weeks out of the country tomorrow afternoon so you can also contact Damon in my office after that if need be. I appreciate your assistance on this. Thanks.

Mark

Hello Brad,

In reviewing the Hollywood & Wilcox Application, the legal department has found that there is not sufficient evidence in the application to satisfy the requirements in PRC Section 21183(e) and (g). Note that 21183(e) requires proof of a "binding and enforceable agreement"

and (g) requires an agreement to pay the costs of preparing the administrative record. I am attaching a copy of a letter that was previously used in the City of LA to satisfy these requirements. Please let me know if you have any questions about this requirement or if you believe we have overlooked evidence that was previously submitted.

Sincerely,

Natalie

Good Afternoon,

This email is for Natalie Kuffel.

Ms. Kuffel – You contacted Stephanie Eyestone-Jones in late April regarding this project. At that time, the application was with the Governor’s legal office and you indicated it would be a few more weeks before the determination of eligibility is made. Do you have any news on that front?

Thanks,
