I don't think there is a need to prepare; I wanted to update you on some recent developments and a resulting request.

The meeting needs to be next week as there is a lot of unavailability for the following 2 weeks. We look to have good flexibility on our side next week (but for the holiday). Are there available times next week that you can provide me?

Hi Damon,

We have somewhat limited availability next week, specifically, I have Commission Thursday, with Mindy also attending, and I am out Friday.

Tuesday is somewhat tight, we have availability at 1 pm or 1:30.

Wednesday we are somewhat more open, 11 am, and open after 1 pm.

Please let me know. I will be out until Tuesday, but will try to check my email to get the meeting set up.

Thanks.

Hi Damon,

I still need to confirm with the Urban Design Studio, but it looks like 2 pm will work.

Either way, the meeting would be here at Fig Plaza, 221 Figueroa.

I'll send you an invite as soon as I have confirmation from UDS.

Thanks.

Hi Damon,

That time is not now available for UDS staff.

Is there a time next week or after that works?

Thanks.

No; as I explained to you last week, the team is available this week and not for the next 2 weeks after – we have certain team members that need to fly in from NY and others who are not available for the next 2 weeks.. We need to make this week work – please see what you can do to get us a time for this week. Much appreciated.

Damon
