Hi Mark,

That time will work for us, we are open and will prioritize this meeting if any conflicts arise.

It will be in the Major Projects office on the 13th floor in the 221 Tower at fig plaza.

I'll send you an invite shortly you can disseminate if needed.

Thanks.

Good morning Jason,

Can you confirm what plans you would like us to bring. Do you want full set(46 pages) or just site plan, elevation and renderings? We have made some revisions since the original submittal. Do you want to see old and new? Please let me know. Thanks.

Hi Mark,

1/27/2020

City of Los Angeles Mail - UDS--Hollywood/Wilcox

The plans you would submit to us normally are what we need, so I believe the full set is necessary.

Additionally, UDS has stated they would be interested in understanding the process behind the design from the architect, so whatever materials or information the architect feels will help convey that would be beneficial.

Feel free to give me a call with any questions.

Thanks.
