"Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others."

Mr. Ramsey,

There are no updates for the project, it is in the environmental review phase.

There is an interested parties list for the project you can sign up for.

Please let me know if you would like to be added.

Thanks.
