Jason-

No worries! Whenever your SPW has it ready, I created a folder to upload it at:
P:/Share/Urban Design Studio/PVP/Hollywood-Wilcox

Please let them know I'll be working in room 705 until not long after 9:30, when I'll leave to set up in 501.

Thanks!

Hi Holly,

Sorry I forgot to reply earlier. The project is mixed use, 260 residential units, and 15 stories.

I can go first or in what ever order works for you.

I am working with out SPW on the presentation, so we'll have it finalized tuesday morning when he is back in the office.
I'll let you know where to find it in the P drive.

Have a good weekend.

Thanks.

Jason-

FYI: I'm going into a meeting soon and then will be leaving on my short Friday.

I've edited Connie's/Shannon's two .ppts into our single presentation for Tuesday. I'll start my day Tuesday at City Hall, so will be able to add yours in then plus make any other updates as needed.

You can also confirm the agenda order with me Tuesday a.m.

Wishing you a peaceful and restful long weekend!
