Hi Greg,

I will make my best effort to have it mailed today, if not first thing tomorrow.

Thanks.

Hi Greg,

We can only accommodate this request via a physical CD at this time.

Is there a mailing address I can send it to?

Thanks.

Thank you. Can you Dropbox or otherwise use file share to this email?

Hi Greg,

I was able to get a compiled PDF of the DEIR.

Is there an address I can send it to? The file is too large to email.

Please let me know.

Thanks.

Jason,

Can you compile the PDFs if you cannot give me the password? It's a fairly simple task in Acrobat. A paper copy will not help with accessibility of the information. Most cities post a complete EIR that can be downloaded. I have not encountered this before

where a City is breaking up the document into a dozen or more files and prevents a user from compiling them to access information.

Thank you.

Hi Greg,

We do not have a single file version of the EIR on available on the website. I do not have a compiled version of the DEIR digitally.

If you'd like I can mail you a copy of the DEIR on a single CD, but there would be multiple PDFs which would be password protected in that format as well.

Let me know.

Thanks.

Jason,

Where can we download a complete copy of the DEIR in one file? I only see this DEIR available in many different documents that are password-protected and I cannot combine them.

Thanks.

Hi Greg,

There are no plans at this time to extend the comment period.

I'd like to just mention, as the Project is ELDP, the entirety of the case file and all documents related to the EIR are available on the City's website for the Project under the tab "other documents."

If you have any questions, please let me know.

Thank you.

Jason,

Is the comment period being extended for this project?
