Dear Mr. McCrea,

I'd like to submit the attached comments on the Hollywood Wilcox Project for consideration during the hearing scheduled for August 12, 2020.

Could you please send me a quick response to let me know you received these comments?

Could you also please put me on the distribution list so that I will receive all future communications related to this project?

Thanks,

Hi Casey,

The comment period for the DEIR closed April 13, 2020. The FEIR for the Project was published July 31, 2020.

The comment will be forwarded to the decision maker, but will not be included or responded to in the EIR.

Thank you.

Thanks, Jason. I understand that the EIR has been completed. I submitted the comments so that decision-makers would be aware that the EIR is deficient, in the hope that they would not adopt it.
