Hi Mark,

We have a more recently updated related projects list for Hollywood. I have cc'd Alejandro who can share that with you. We did get the case transferred to us on Monday. I have it on my desk and I need to look through it, but can let you know once it has been assigned.

Hi Luci,

Two questions:

Do you know the status of finalizing the related projects list for the Hollywood/Wilcox project and for the Sunset/Western project? My clients are asking me to give them an updated processing schedule and it will be helpful to know the status of that.

CoreSite (900 Alameda) is also asking me for an updated processing schedule so I was wondering if major Projects has retrieved the file for the case and if it has been assigned yet.

Thanks for whatever updates you can give me. I hope all is well. Stay cool and Go Dodgers!!

Mark
