Hi Will,

Brad is out this week and was unable to send out the letters on Thursday when you provided them. I left you a message this morning. I was wondering if shipping FedEx was fine. It's easier to track than certified mail. Typically we send FedEx not certified mail for AB 52 letters. If you'd prefer certified mail, let me know. I also was wondering if keeping the February 2, 2017 date is fine or if you wanted to update to tomorrow's date (February 7, 2017). Please let me know ASAP so I can send the letters out.

Thank you!

Jacqueline De La Rocha

Brad / Stephanie,

I have added ten AB52 tribal consultation letters to the Dropbox folder for the Hollywood Wilcox project. Please mail these out certified mail with return receipt. The return receipt should be addressed to the Planning Department, Room 750 (a return address envelope which includes the ENV case number is also provided in Dropbox).

Thanks and let me know if you have any questions,
