Thanks, Brad. I understand that we are looking at June 8 as a potential scoping meeting date. Please provide me with the meeting details once available, so I can add the info to the NOP template. Be sure that the location is ADA accessible and has sufficient on-site parking. I have uploaded our final comments on the IS to Dropbox. Let me know if you have any questions, and please provide the updated mailing list for review once available.

Best,
Will

Will,

Client's response on the scoping meeting:

Likely of regional significance, want an open and transparent process for the public at all levels.

Let me know if you want to discuss further, but I'm leaving for the day. I will be available after 8am tomorrow.

Brad

Hi Brad,

Late next week should be feasible, pending our review of the updated mailing list/radius map and the draft NOP. Please provide those for review when they are ready.

Best,
Will

Will,

I uploaded the latest version. I think this should cover everything. I will upload the draft NOP for your review shortly. I know you also mentioned a new mailing list was needed, but if we can provide everything soon, they would like to know if you would be OK having this go public next week?

Brad
