Uploaded. I would agree splitting them up would be preferable. The Phase I is almost 1200 pages by itself.

Brad,
As part of the PDF proof, can you please also provide the Appendices? Once we get to the website upload, those would normally be either separate individual PDFs or a consolidated single PDF of all the appendices. My preference would be individual PDF files to make it easier to navigate.

Thanks,
Will

Will,

I uploaded a PDF proof of the IS. Didn't look like that was done yet.
