Dear Mr. Crook

Village at Playa Vista
Lincoln & Jefferson Blvds.

This is in response to your request regarding electric service for the proposed project located at the above address.

Electric service is available and will be provided in accordance with the Department of Water and Power's Rules Governing Electric Service. The estimated power requirements for this proposed project is part of the total load growth forecast for the City and has been taken into account in the planned growth of the Power System.

If you have any questions regarding these requirements, please contact me at (213) 367-6216.

Sincerely,

A handwritten signature in cursive script, reading "Alfred W. Gragg".
