Yes, there should be an "-EIR" suffix.

Hi Bradley,

Can you double check the case number for this? the IS cover page has ENV-2020-1930 listed but that doesn't look right to me. Is it missing the -EIR suffix?

Thanks,
Pei

Hi Pei,

Kathleen mentioned that she spoke to you about reviewing the Sunset Wilcox IS. I've uploaded the word docs, appendices, figures, and plans to [dropbox](#). Let me know if you have any issues accessing or downloading the files.

Thanks,
Bradley
