Hi. I've uploaded my reviewed copy of the Sunset + Wilcox IS to Google Drive and shared the folder with you both. There are highlighted comments addressed to you both. Let me know if you have time this week to go over them on a quick (hopefully) call. I also provided markups to a page of the plan set and comments on the hydro and geotech reports. The USEPA PDF that I uploaded is related to a comment in the solid waste section.

Call with questions! I'll be around all day tomorrow.

Thanks again for your extreme patience and I'm sorry it took so long.

Hi Pei,

Kathleen mentioned that she spoke to you about reviewing the Sunset Wilcox IS. I've uploaded the word docs, appendices, figures, and plans to [dropbox](#). Let me know if you have any issues accessing or downloading the files.

Thanks,
Bradley
