Hi Laura,

Thanks for your patience on this. I've finished my review and Kethleen is wrapping up her review so we should have this to you by the end of the

week.

I've also drafted AB 52 letters for you to send via certified mail. What date should I use on the letters?

Hi Laura,

Thanks for checking in. We're aiming to get the first SC back to you in about two weeks, though it may be a little longer than that with the other deadlines we're juggling.

I am drafting a schedule for the EIR. Roughly, how long do you need for your review of the Initial Study?

Thank you!

Hi Laura,

I wanted to introduce myself as the staff planner for this project. I was able to access and download the Initial

Study documents--thank you for that--but I didn't see any of the technical reports. Could you please upload those and let me know when they're ready?

In the meantime, Kathleen and I will begin reviewing the Initial Study and drafting the AB 52 letter.

Thank you in advance,

Bradley
