Hi Bradley,

Thank you. Yes, we are aware and have updated the analysis per the VMT calculator.

Hi Laura,

Regarding the 1st SC of the IS, I noticed that Pei had a comment on page 54 to use the LAUSD March 2020 study. However, this should actually refer to the most recent VMT calculator. Kathleen mentioned that your colleagues, Stephanie and Ashley may know about this already so you might check with them if you have any questions. Of course, we're happy to discuss further as well, if needed.

Thanks,
