Hi Bradley,

Hope all is well. I'm following up on my voice message:

- Do you need us to assist with drafting the NOP?
- Can we start on the WSA process?
- Can we start the LAFD review process?
- Will you be coordinating Haul Route form?

Also, can you please discuss with Will or Kathleen the archaeo/paleo mitigation issue – we're seeing that the City is now considering a condition of approval to address those topics and not mitigation?

Thank you

Laura Rodriguez
