Hi Pei,

Thanks for making time for us. So far, we have four sections: Project Description, Environmental Setting, Cultural, and Tribal. I've done a preliminary review of all sections, but could use a more detailed review from you on all four. I've uploaded the documents [here](#) and will upload clean copies of any new sections that come in. The Initial Study can be found [here](#). Of course, please let me know if you have trouble accessing the documents or need additional information.

Hi John and Madonna-

Bradley has started to receive Draft EIR Sections for the [Sunset Wilcox Project](#). Only a couple of sections have been submitted so far, but we wanted to check in and see if MBI might have capacity to start reviewing the draft in the next couple of weeks.

Thanks-
