No deadline. We just received the first batch of DEIR sections, so sometime in the next few weeks sounds good.

Thanks Bradley. We will review and get back to you. Is there a deadline for this? We have a number of HRAs we are reviewing at the moment, but should get to this in the next two weeks or so.

Hi Shannon and Lambert,

I'm sharing the Sunset Wilcox Project draft Historic Resources Report with you for OHR's review. The report can be accessed [here](#). The Project is located in the Hollywood Redevelopment Project Area so you may also want to forward this to Mickie.

Please let me know if you have any questions or would like to set up a call to discuss.
