Hi Sunny,

A response is not required, however you may provide one if you have comments on the project. That is the most up-to-date document.

Hello Mr. Furuya,

Wastewater Engineering Services Division has recently received the attached letter from your office for the Sunset + Wilcox project. Does your office require a response or is there another update of this document that your office requires a response?

Please contact me at your earliest convenience to let me know if you require a response for this document or if there is an update to it.

Best regards,
Sunny
