Oh, and the no WDI is not needed since this is not a WDI case.

Hi
Not to worry.
The SPR is due to the amount of commercial space, larger than 50,000sf.
The SPP is due to the presence of a sign district.

Hi Jim,

I'm sorry I forgot what you said on the reason for change to a SPR & SPP, Kimberly was giving me instructions for Paul on stamping of plans and what you told me flew out my mind. Getting old sucks! Can you tell me again the reason for changing to a SPR & SPP on this case file. Thank you!

Have a great day,

Hi Susan

Can you update the suffix string and ownership information in PCTS for one of my projects?

Case: CPC-2020-1929

The suffix string should be ***HD-VCU-MCUP-SPS-SPP***
Basically the SPP is added and the RDP & WDI are removed, per a Feb 2021 letter from Bradley.

Also I updated the ownership information to 6450 Sunset Owner, LLC. I think I did this correctly but am not sure.

Jim
