Hello

We will start the process, once we complete our portion we will email you the bond amount so you can communicate with the applicant the bond amount. The applicant will need to apply with Engineering for a bond. The bond will need to be emailed to sandra.morales@lacity.org along a letter from planning stating the haul route has been approved by planning. I will then email them a time to come in to pay for their haul route permit.

Hello

I am not sure, I inherited the case when I transferred to this unit.

With your email I am thinking that this is one of the items that was dropped during the transition from the previous planner.

And for that I do apologize.

I do have a copy of the application that I am attaching to this email.

Please let me know if there is anything I can do to help this along.

Thank you for bringing it to my attention.

Jim
