Hi Bradley,

This IS was just submitted for a [Hollywood project](#).

Can you please connect with Laura from Eyestone and work on the review of the Initial Study? There are also a number of other similar projects in the area that would be good examples to look at for comparison.

I'm not sure if there has been a Work Order set up yet for this, and it will also need the AB52 letters, and potentially a WSA if the project is large enough.

Luci - has the entitlement package been reviewed/submitted, or do we still need to work on a deemed complete letter?

Thanks!

Milena

Hi Luci,

Hope you are well and healthy. Nice to have you back! I have uploaded a draft of the Initial Study for the Sunset and Wilcox project to DropBox. I understand a planner has not yet been assigned. Here is the DropBox link:
