I had Darlene or Susan establish the work order. The case files are along the wall near Alan's cubicle. We have not reviewed the case file for completeness.

Hi Bradley,

This IS was just submitted for a [Hollywood project](#).

Can you please connect with Laura from Eyestone and work on the review of the Initial Study? There are also a number of other similar projects in the area that would be good examples to look at for comparison.

I'm not sure if there has been a Work Order set up yet for this, and it will also need the AB52 letters, and potentially a WSA if the project is large enough.

Luci - has the entitlement package been reviewed/submitted, or do we still need to work on a deemed complete letter?

Thanks!
Milena

Hi Luci,

Hope you are well and healthy. Nice to have you back! I have uploaded a draft of the Initial Study for the Sunset and Wilcox project to DropBox. I understand a planner has not yet been assigned. Here is the DropBox link:
