Subject : Sunset Wilcox Initial Study

Hi Kathleen,

I've finished my first pass through the IS and technical reports. They're saved here:

N:\Project Planning\MP_EIR\MajorProjects\PROJECTS\Sunset Wilcox\Initial Study\1st SC

The edited documents have my initials in the document name. As you'll see, the appendices and figures were also recently downloaded and added to that folder.

Thanks,

Bradley Furuya, AICP
