Subject : Re: Sunset Wilcox Initial Study

Thanks Bradley- I'll let you know once I've reviewed it.

Hi Kathleen,

I've finished my first pass through the IS and technical reports. They're saved here:

N:\Project Planning\MP_EIR\MajorProjects\PROJECTS\Sunset Wilcox\Initial Study\1st SC

The edited documents have my initials in the document name. As you'll see, the appendices and figures were also recently downloaded and added to that folder.

Thanks,
