TRACT MAP No. 83250-CN-HCA	11001 West Moorpark Street
TRACT MAP No. 83510-CN-HCA	1715 North Bronson Avenue

If you have any questions, please let me know. Please remember not to direct developers to the BOS as the BOE will provide releases they need on our behalf once all of the various requirements have been fulfilled.

Have a wonderful safe week,

The Bureau of Engineering (BOE) has a new online Customer Service Request (CSR) application to receive all inquiries and requests that do not already have an avenue for submission in other BOE web applications. These include requests for clearances related to City Planning or LADBS building permits.

The CSR application, and all other BOE applications, are accessible through our online portal, which can be found at <http://engpermits.lacity.org/>.

The normal response time for CSR requests is one to three days, with a maximum of about a week during unusual periods. Requests are taken in the order received and are monitored closely to ensure that all are responded to. You will be notified by email when there is a response and can log in any time to check the status. In order to serve you better, requests and questions are no longer accepted via phone or email.
