Good morning Pete –
Thanks again for moving along with the review and the assessment letter. I really appreciate it.

As we typically do, will we be given the opportunity to review the internal draft assessment letter before it gets finalized and signed by LADOT?

Thanks, and enjoy your weekend!

Hi Pete – that’s correct, the fourth (unlabeled) driveway on the site plan is the designated driveway for LADWP on Cole Place. Sorry it got cut off on the site plan!

And thanks for the update earlier on the status of the draft assessment letter. I appreciate it. And yes, it is a “large project.”

Hi Seth,

- Looking at the site plan it appears there are three driveways on Cole Place. Page 59 of your report cites 4 driveways on Cole Place. Can you clarify which of these is the case? Is the unlabeled driveway on the site plan the one for LADWP? If so, no need to send any updates other than just confirming this is the case.

Thanks in advance!

Pete
