Hi Seth,

We are working to update the assessment letter for this project to include the re-striping of Wilcox Ave. We've gotten in contact with our LADOT District Office for the project location, and they had the following questions/comments regarding the striping proposal:

- From a quick cursory review it looks like Wilcox is 46ft wide. Will the proposed Two-Way Left-Turn Lane (2WLTL) only span the block between Sunset Bl & DeLongpre?
- Will the striping for the NB approach of Wilcox at Sunset be modified?

Although the traffic study does a good job generally describing what the proposal looks like, I was hoping you could explicitly address the questions above. Are you able to provide this information to us so that we can bring it up to the District Office?

Thanks in advance,

Pete
