

GABRIELENO BAND OF MISSION INDIANS - KIZH NATION
Historically known as The San Gabriel Band of Mission Indians recognized by
the State of California as the aboriginal tribe of the Los Angeles basin

Dear James Harris,

After speaking to our tribal counsel and Mr. Salas, with all due respect we disagree with the language proposed for the mitigations do not protect our Tribal Cultural resources. Please note that Tribal cultural resources are their own element and must be separate than archeological, Paleo, and Bio to fulfill CEQA's requirements under AB52. Tribes are their own experts regarding their Tribal cultural resources within their geographic and ancestral lands. Also understand that each tribe who consults on each project they claim their geographic and ancestral area must provide their own mitigation measures to protect their Tribal cultural resources they claim. Please see the attached mitigations below that pertain to our tribe only. If you have any questions, feel free to contact me.
