

SPECIAL REQUIREMENTS

CITYWIDE DESIGN GUIDELINES

Compliance Review Form

AUTHORIZING PROVISION: The Los Angeles City Planning Commission adopted the *Citywide Design Guidelines* on October 24, 2019.

PURPOSE: The Citywide Design Guidelines are intended among other things to communicate the City's design expectations, facilitate fair and consistent application of design objectives and to encourage the development of projects appropriate to the context of the City's climate and urban environment.

General Information

Drainat Information

With the exception of residential projects with four or less units, projects utilizing the PSH ordinance, or projects utilizing an applicable State streamlining measure (SB 35, SB 2162), all projects that are either constructing a new main building or pursuing a vesting tract map shall complete this Citywide Design Guidelines Compliance Form CP-4056 and submit it as part of the project application.

Project information	0450344 + 0
Case Number:	6450 West Sunset Blvd, Los Angeles; see Site Address: Attachment A for additional addresses.
Project Request: See Attachment A	

Instructions

Please provide a short paragraph describing how, and to what extent, the project has complied with each of the ten *Citywide Design Guidelines*. Indicate how the project achieves the intent of the Guidelines and provide information as to the appropriate sheet number(s) on which information can be found illustrating alignment with each Guideline. If a particular guideline is not applicable please indicate this in the appropriate box. Example language is provided on the *Sample Citywide Design Guidelines Compliance Form*, CP-4057.
