

# Sustainable Communities Environmental Assessment

---

## Table of Contents

I.	Introduction.....	I-1
II.	Project Description.....	II-1
III.	SCEA Criteria and Transit Priority Project Consistency Analysis.....	III-1
IV.	2016-2040 RTP/SCS Program EIR Mitigation Measures.....	IV-1
V.	SCEA Initial Study Checklist .....	V-1

### Appendices

Appendix A	Air Quality Report
Appendix B	Energy Calculations
Appendix C	Geotechnical Investigation
Appendix D	GHG Report
Appendix E	Phase II Site Assessment
Appendix F	Sea Level Rise Hazard Report
Appendix G	Noise Report
Appendix H	LADOT Approval Letter and Traffic Memo
Appendix I	Tribal Cultural Resources Report

### Figures

Figure II-1, Vicinity and Regional Map.....	II-2
Figure II-2, Views of the Project Site .....	II-4
Figure II-3, Common Space Open Diagram / Site Plan.....	II-7
Figure II-4, Basement Level Floor Plan / Parking Schedule.....	II-8
Figure II-5, Level 1 Floor Plan .....	II-9
Figure II-6, Level 2 Floor Plan .....	II-10
Figure II-7, Level 3 Floor Plan .....	II-11
Figure II-8, Overall Color Elevations with Landscape.....	II-12
Figure II-9, Landscape Site Plan .....	II-13
Figure II-10, Rendering from Thatcher Avenue .....	II-14

Figure II-11, Rendering from Princeton Drive.....	II-15
Figure II-12, Location of Related Projects .....	II-22
<b>Tables</b>	
Table II-1, Project Development Summary.....	II-6
Table II-2, List of Related Projects .....	II-20
Table III-1, Consistency of the Project with Applicable Goals and Policies of the 2016-2040 RTP/SCS .....	III-3
Table IV-1, Applicability and Compliance of Project-Level Mitigation Measures from the 2016-2040 Regional Transportation Plan / Sustainable Communities Strategy .....	IV-2
Table V-1, Maximum Daily Emissions Thresholds .....	V-16
Table V-2, Maximum Daily Construction Emissions Summary .....	V-18
Table V-3, Localized Significance Summary Construction.....	V-21
Table V-4, Maximum Daily Operational Emissions Summary .....	V-23
Table V-5, Localized Significance Summary Construction.....	V-24
Table V-6, Summary of Annual Energy Use During Project Construction.....	V-38
Table V-7, Summary of Annual Energy Use During Project Operation.....	V-40
Table V-8, Total Project Greenhouse Gas Emissions (Annual) .....	V-58
Table V-9, Scoping Plan Consistency Summary.....	V-60
Table V-10, Project Consistency with the Framework Element.....	V-87
Table V-11, Project Consistency with the Venice Community Plan .....	V-93
Table V-12, 24-Hour Ambient Noise Level Measurements .....	V-109
Table V-13, Future Off-Site Project-Related Traffic Noise Impacts.....	V-111
Table V-14, Unmitigated Construction Equipment Noise Level Compliance .....	V-113
Table V-15, Daytime Operational Noise Level Compliance (DBA Leq).....	V-115
Table V-16, Nighttime Operational Noise Level Compliance (DBA Leq).....	V-115
Table V-17, Population and Housing Forecasts for the City of Los Angeles Subregion .....	V-121
Table V-18, Significant Impact Definition.....	V-136
Table V-19, Summary of Volume to Capacity Ratios and Levels of Service.....	V-137
Table V-20, Estimated Project Electricity Consumption .....	V-133
Table V-21, Estimated Project Natural Gas Consumption .....	V-153
Table V-22, Estimated Daily Water Consumption .....	V-155

Table V-23, Estimated Average Daily Wastewater Generation..... V-156  
Table V-24, Project Estimated Daily Solid Waste Generation..... V-157
