

**Los Angeles Department of City Planning
Neighborhood Vision Workshop: Fashion District**

Thursday, June 15th 2017 | 11:00 AM – 12:00 PM

- Explore mechanisms for streets that are over dedicated in the Fashion District
- Consider incorporating seismic retrofit requirements into the plan where appropriate
- Focus on Olympic as a major East/West corridor in order to support the high levels of pedestrian activity
- Consider prioritizing parking for visitors and consumers through the use of smart meters
- Promote a centralized parking structure that can serve the need for residents, workers, and visitors
- Encourage the revenue from local parking meters to be reinvested into the Fashion District community
- Consider expanding opportunities for housing throughout the entire Markets area.
- Improve and repair sidewalk infrastructure particularly near Santee Alley
