

DEVONSHIRE/TOPANGA CORRIDOR SPECIFIC PLAN

Project Compliance (Design Review Board)

The Devonshire/Topanga Corridor Specific Plan sets forth provisions regulating development within a portion of the Chatsworth-Porter Ranch Community Plan. These instructions cover proposed projects in the Specific Plan area. This special requirement form is to assist the applicant in completing the Project Compliance (Design Review Board) application for their projects.

General Instructions

Specific Plan projects must conform to all provisions of the Los Angeles Municipal Code (LAMC). All questions regarding a project's consistency with the LAMC are referred to the Department of Building and Safety. Prior to filing for review under the Devonshire/Topanga Corridor Specific Plan, the applicant is responsible for ensuring that the proposed project is consistent with both the Specific Plan and all applicable provisions of the LAMC.

All applicants for Project Compliance (Design Review Board) are encouraged to discuss the concept and design of their proposed project with City Planning staff prior to spending time, energy, and money on the preparation of plans. Early contact with staff can help avoid costly delays.

The application will not be considered officially on file until it is deemed complete, and the required plans and documents are found to fulfill the requirements of the Department of City Planning. Please read the following instructions carefully so your DRB case may be processed without delay. Missing or incomplete materials may cause a case to be continued.

1. Review the Devonshire/Topanga Corridor Specific Plan to ensure that your proposed project is in compliance with all provisions. The Specific Plan is available at <https://planning.lacity.org/plans-policies/overlays/devonshiretopanga-corridor>.
2. Contact the planner assigned to the Specific Plan to schedule an appointment to discuss the project and the timelines for scheduling a Design Review Board meeting. An [Assignment List](#) can be found on the City Planning website at <http://planning.lacity.org> under the "About" tab.
3. Complete the Department of City Planning Application (CP13-7771.1) and prepare the items required as specified in the Department of City Planning (DCP) Application Filing Instructions (CP13-7810) and the additional items as specified in this document.
4. Once all materials required for filing are completed, but prior to making duplicate copies for additional sets, submit materials and a Geographic Project Planning Referral Form (CP13-7812) via email to the planner assigned to the Specific Plan to review the application package in accordance with the Specific Plan.
5. Pre-Filing Review must be completed before request a filing appointment with the Development Services Center. Once your application package is completed, make an

appointment with City Planning staff to review your application. The Development Service Centers (DSC) offer case filing and condition clearance services by appointment only. Once you have a completed application submittal, you may request a filing appointment through [BuildLA](#). Please check the DSC page for current protocols.

6. Refer to the Mailing Procedures Instructions (CP13-2074) and Posting Instructions (CP-7762) for applicable requirements regarding public noticing.
