COASTAL ACCESS Parking Problems/Concerns:  
*+ Safety*

Venice residential streets need preferred parking zones for residents, PLUS 2-4 hour parking zones for beach visitors:

Due to new metro feeder Big Blue Bus routes on 4<sup>th</sup>, Rose + 7<sup>th</sup> Commuters who want to use metro <sup>to downtown</sup> will INVADE our residential streets and use it as a free parking lot for bus to metro access. (There is NO parking lot for the Colorado + 4<sup>th</sup> metro - so, Venice <sup>residential streets on the BBB route</sup> will become the de facto parking lot)

Neither residents nor beach-goers will have access to either the beach or their own homes. There are safety problems with <sup>these routes as well - for bikes, pedestrians, emergency vehicles that can't get past giant buses on tiny streets (ea: 4<sup>th</sup>)</sup>

TOPIC 1: PUBLIC ACCESS TO THE SHORELINE

Encourage arts on the BW not junk

- Funding for beach nourishment to add more facilities for recreation.
  - add sand to beach

PROVIDE MORE REC. FOR CHILDREN... VERY LITTLE NOW.

- I'D like to have the choice to access the beach at all time.

ADDRESS THE ISSUE OF MENTALLY ILL ON THE BW.

Washington Pier provides excellent view of entire Shoreline from Palos Verde to Malibu Kebe

Bathrooms must be open longer. Trash from tourists needs frequent collection. Curfew hampers access

TOPIC 1: PUBLIC ACCESS TO THE SHORELINE

- Visitor-Serving Facilities should not trump long term residential opportunities in Venice, a unique coastal community whose permanent residents add to the mix, the diversity of the area, & serve as eyes on the boardwalk. Certainly Venice tourism has not suffered because of any <sup>SUPPOSED</sup> lack of hotels, for example.

TOPIC 1: PUBLIC ACCESS TO THE SHORELINE

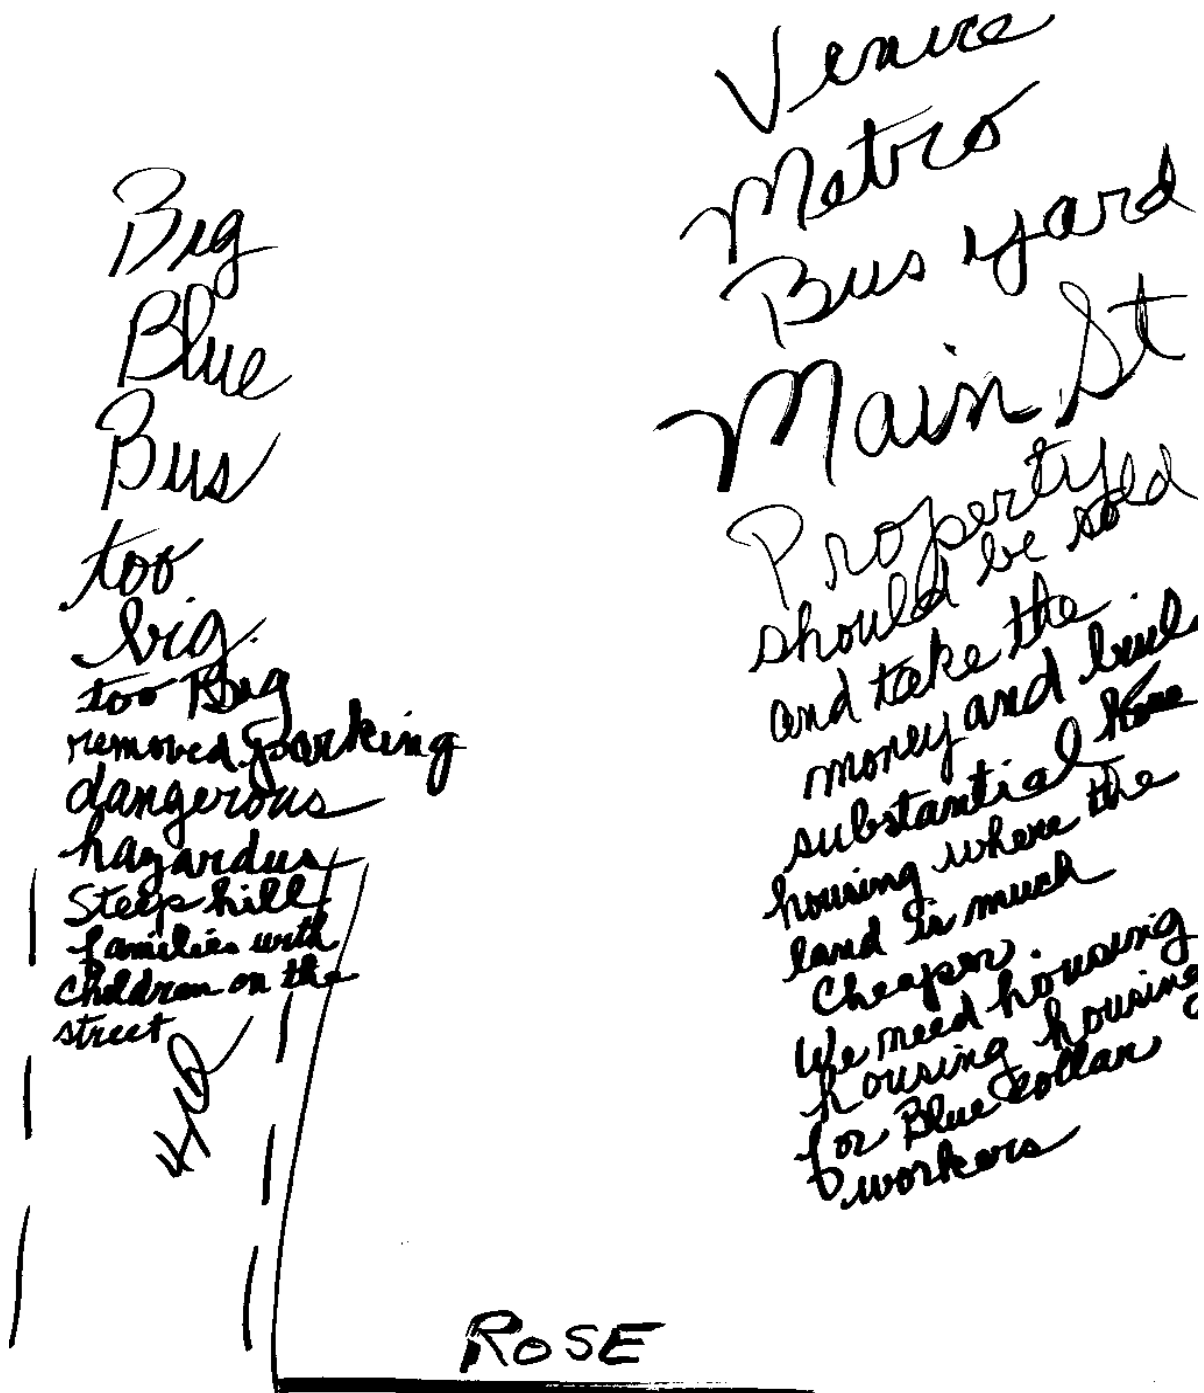

- NEED TO INSTALL RENTAL BIKE FACILITIES ALL OVER VENICE, SIMILAR TO SM.
- THE APPROACH TO VENICE FROM SM ALONG THE BEACH IS APPAULING. SANTA MONICA HAS CLEAN PARKS AND NO CAMPELIS. IT'S OBUIOUS THAT SM HAS PUSHED TRANSIENT PEOPLE INTO VENICE. THE TRASH AND DEBRIS ARE A SHAMEFUL WELCOME TO ANYONE BIKING OR WALKING SOUTH.
- NEED MORE STREET PARKING SPACES DEDICATED TO BIKE PARKING. AGAIN SM SEEMS TO HAVE THOUGHT OUT THEIR BIKE PARKING. IT'S WELL DESIGNED AND FUNCTIONAL. THE SPACES ON AK ARE POORLY DESIGNED.

TOPIC 1: PUBLIC ACCESS TO THE SHORELINE

Venice is the most visited, most  
diverse Coastal Community in Calif.  
We also provide more coastal access  
than any other community. Please  
protect the homes and diverse  
population that makes Venice a  
unique community and desired visitor  
destination. Homes should NEVER  
be converted to hotels!

ONE WAY. IT IS A SIMPLE SOLUTION. PLEASE DO  
NOT Punish us by Turning one way

PARKING in The Magnet School is horrible  
Forces cars down our streets and causes Backup  
PARK People of Washington & make our roads
