Upcoming Opportunity for
Technology Service Providers

The City of Los Angeles Department of City Planning has released a Requests for Qualifications (RFQ) for the purpose of preparing a pre-qualified list of on-call technology service providers to assist with varying technology-based work assignments and projects. Submission of Qualifications are due December 2, 2022 by 4:00PM.

This process is the sole method to become eligible for this work, and the Department of City Planning seeks a broad and wide range of interested parties to participate in the RFQ process.

A list of pre-qualified technology service providers will be established to support specific technology projects for one (1) or more of the following eight (8) Information Technology services categories:

1. Database Systems
2. Document Management
3. Geographic Information Systems (GIS)
4. Infrastructure/Cloud Solutions Services
5. Mobile Platform Development
6. Project Management
7. Software/Application Development
8. Website Design/Development

Proposers will be requested to provide/explain the type of work in connection with the service categories. Proposers do not need to be qualified in every service category to be considered.

The RFQ can be found on the Regional Alliance Marketplace for Procurement (RAMP) at https://www.rampla.org/s/opportunity-details?id=0066g00003c3f4eAAA

If you are not already registered on RAMP, you may register by going to: https://angelenologin.lacity.org/signin/register. Notification of the RFQ release will be sent out through RAMP to all eligible registrants, based on the registered service codes and North American Industry Classification System (NAICS) category number indicated in the registrant profile.

It is the policy of the City of Los Angeles to provide Minority-owned Business Enterprises (MBEs), Woman-owned Business Enterprises (WBEs), Small Business Enterprises (SBEs), Emerging Business Enterprises (EBEs), Disabled Veteran-Business Enterprises (DVBEs), and all Other Business Enterprises (OBEs) equal opportunity to participate in the performance of City contracts. If you are interested in being recognized as a certified company under the aforementioned categories, information can be found under the support section of http://www.rampla.org.
