

# WEST ADAMS – BALDWIN HILLS – LEIMERT CPIO Hyde Park Industrial Corridor Subarea and Appendices Checklist

# **Related Code Sections**

Los Angeles Municipal Code (LAMC) Section 13.14 G (Administrative Review) of Chapter 1 authorizes ministerial review for projects in compliance with Community Plan Implementation Overlays (CPIOs). Ordinance No. 184,794 established the West Adams-Baldwin Hills-Leimert CPIO. Refer to Chapter VII and Appendices A – B referenced below when completing this checklist. Procedures for Administrative Review are governed by LAMC Section 13B.3.1. of Chapter 1A.

# **Filing Instructions**

This checklist is a supplemental form required for projects that fall within the West Adams CPIO. Plan Sheet references are to be completed by the **applicant** in accordance with plans submitted for review. To submit this form for review by Project Planning Staff assigned to the Geographic Planning area, complete and upload this form to the <u>Online Application System (OAS)</u> portal. This Hyde Park Industrial Corridor Subarea Checklist includes the following CPIO Sections:

- Hyde Park Industrial Corridor Subarea (Chapter VII), page 2
- Streetscape, Mobility and Open Space Provisions (Appendix A), page 15
- Environmental Standards (Appendix B), page 17

All new industrial uses (including but not limited to accessory storage, vehicular storage, and other equipment use buildings, structures, or outdoor areas) that are adjacent to, across a street or alley from, or share public open space with, any planned or existing residence or school are encouraged, but not required by the CPIO District, to substantially comply with the Citywide and Community Plan Industrial Design Guidelines. At a minimum, industrial Projects shall comply with the following regulations:

<ol> <li>Residential – Adjacent Setbacks: A minimum five-foot setback shall be provided along any property line that is adjacent to any existing residence or school or any lot zoned or planned for a residential or school use. The setback required above shall not be required when the property zoned residential is located across a public street or alley from the Project site.</li> <li>A landscape buffer shall be provided within the setback required above. The landscape buffer shall include a diversity of plant species, at least one of which is a hedge that grows to a minimum 10-foot height at maturity and is planted in at least three-foot intervals.</li> </ol>	□ Yes □ No □ N/A
<ul> <li>2. Fencing and Walls: Except where the main building is within three feet of any property line, a solid wall shall be provided as follows:</li> <li>The solid wall shall be a minimum height of six feet and shall be provided along any property line that is adjacent to, across a street or alley from, or shares an open public space with, any existing residence or school, or any lot zoned or planned for a residential or school use. The wall shall be concrete masonry unit, brick, or other similar opaque, sturdy material. Chain link fencing (with or</li> </ul>	□ Yes □ No □ N/A

TOD Subarea Open Space Guidelines	TOD Subarea Open Space Guidelines (Completed by				
	Applicant)	Yes	No	N/A	
The following open space guidelines are applicable to the La Brea/Farmdale TOD Subarea, the Jefferson/La Cienega TOD Subarea, and the Venice/National TOD Subarea:					
<ul> <li>Projects on a lot size equal or greater than 15,000 square feet should be developed to maintain at least 20 percent open space areas as publicly accessible open space.</li> </ul>					
b. In addition to any open space requirements of the LAMC, Projects on lot sizes less than 15,000 square feet should develop and maintain open space areas as usable outdoor space accessible to the general public as well as to the residents and employees of a property.					
c. Public alleyways, paseos, plazas, or new streets that are added to a project site may contribute to the minimum 20 percent open space requirement.					
<ul> <li>Paseos should be designed to be at least 20 feet wide or as required by LAMC to accommodate fire truck and emergency vehicle access.</li> </ul>					
e. Open space generated pursuant to La Brea/Farmdale TOD Subarea (CPIO, Chapter IV), Jefferson/La Cienega TOD Subarea (CPIO, Chapter V), and Hyde Park Industrial Corridor Subarea (CPIO, Chapter VI) contribute to the minimum 20 percent open space requirement.					
f. Open space should generally be located internal to sites,					

<sup>&</sup>lt;sup>2</sup> The following open space and streetscape guidelines meet the intent of the West Adams-Baldwin Hills-Leimert Park Community Plan and the Mobility Element of the General Plan. None of the individual guidelines included in this Appendix A are mandatory or required in and of themselves as part of Administrative Review. These guidelines should be used by decisionmakers in the review and approval of discretionary zoning approvals within the CPIO District boundaries that require findings related to neighborhood compatibility, the degradation or benefit of the project to surrounding properties and the community, and conformity with the intent and purpose of the Community Plan (including, but not limited to, Project Adjustments, Project Exceptions, and a Conditional Use Permit under LAMC Section 12.24 of Chapter 1). These guidelines are in addition to any other applicable design guidelines
