

# VENICE PLANNING

## VENICE COMMUNITY PLAN

**The Venice Community Plan** is one of 35 community plans that make up the General Plan Land Use Element in the City of LA.

**The Community Plan** consists of a policy document and a map of land use designations. Land uses include residential, commercial, industrial and open space.

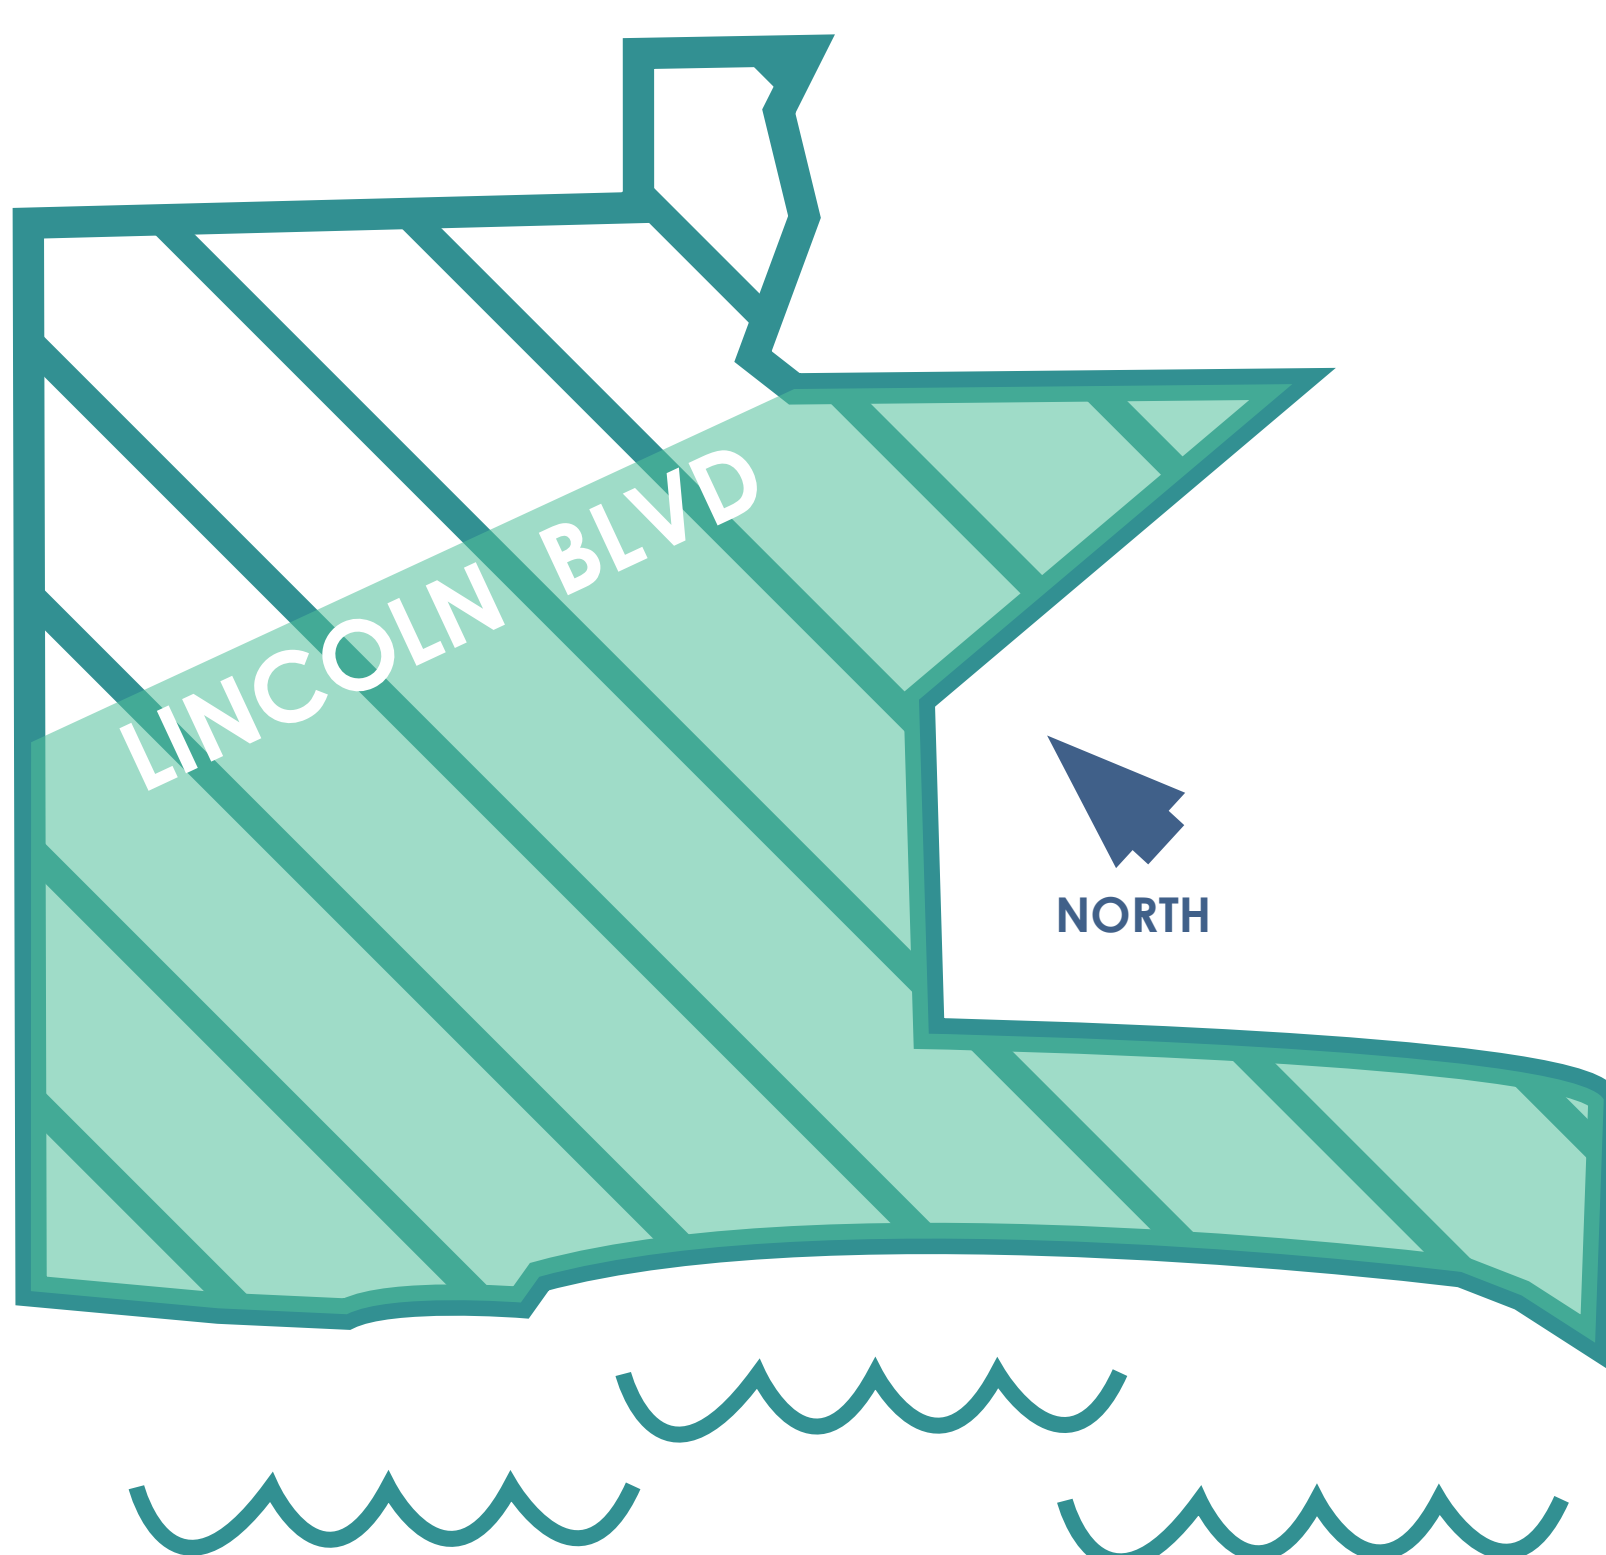

The Community Plan sets specific policies and strategies to achieve a community's vision.

## VENICE LOCAL COASTAL PROGRAM

**The Venice Local Coastal Program (LCP)** is a planning tool required by the California Coastal Act for the Venice Coastal Zone.

**The Venice LCP** will establish policies and an implementation plan to:

- Maximize public access to the shoreline
- Protect natural and coastal resources
- Address sea level rise
- Guide development in the coastal zone
