VENICE

LOCAL COASTAL PROGRAM OPEN HOUSE

Ground Rules /Reglas de Participación

Everyone in attendance is a stakeholder of the community and is welcome to participate in this public planning process.

Participants will show each other courtesy and respect.

Participants will allow opportunity for all those in attendance to speak and express their viewpoint.

All viewpoints are welcome. Participants will be respectful toward varying viewpoints, even when they differ from their own.

Participants will recognize and value the diversity of those in attendance and the communities they represent.

Todos los participantes tienen intereses en ésta comunidad y por lo tanto se valorará su libre participación en éste proceso público de planificación urbana.

Participantes demostrarán respeto y cortesía unos a los otros.

Participantes permitirán que todos asistentes libremente expresen sus propias opiniones y diversos puntos de vista.

Se respetarán todos los puntos de vista, incluso aquellos que no estén en acuerdo con los de uno mismo.

Participantes reconocerán y valorarán la diversidad de todos asistentes y de las comunidades aquí representadas.

OBJECTIVE

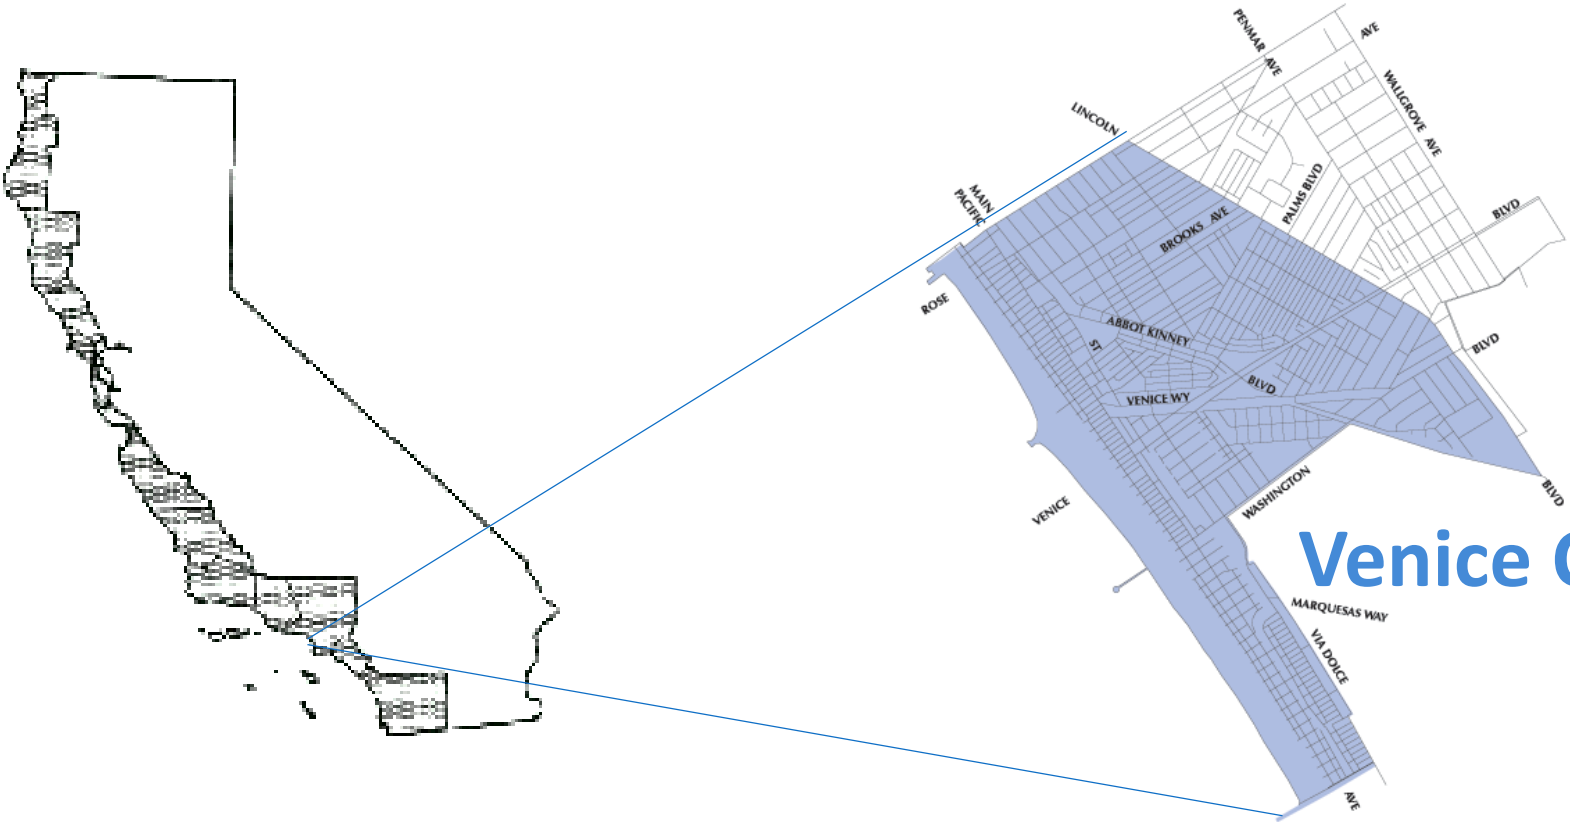

1.

Share issues that affect you and your community in the Venice Coastal Zone.

WHERE IS THE COASTAL ZONE?

California Coastal Act of 1976 established Coastal Zones

Venice Coastal Zone

WHAT IS REQUIRED OF COMMUNITIES IN THE COASTAL ZONE?

- The state mandates that all coastal communities in California have a Certified Local Coastal Program
- The California Coastal Commission certifies Local Coastal Programs and administers them in partnership with coastal communities

WHAT IS A LOCAL COASTAL PROGRAM?

A Local Coastal Program is a planning tool that:

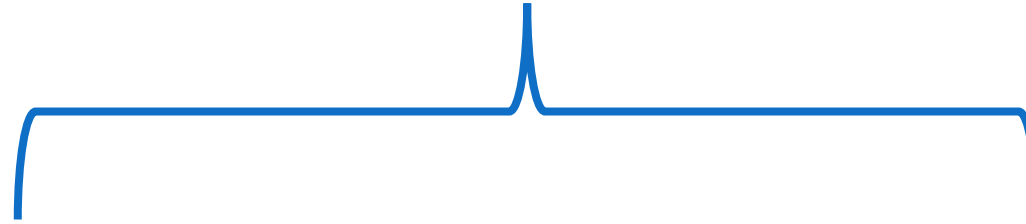

- ✓ Guides development in the coastal zone
- ✓ Protects coastal resources
- ✓ Maximizes public access to the shoreline
- ✓ Addresses sea level rise and climate change

WHAT COMPONENTS MAKES UP A LOCAL COASTAL PROGRAM?

Implementation Plan (IP)

Zoning & Development Standards

+

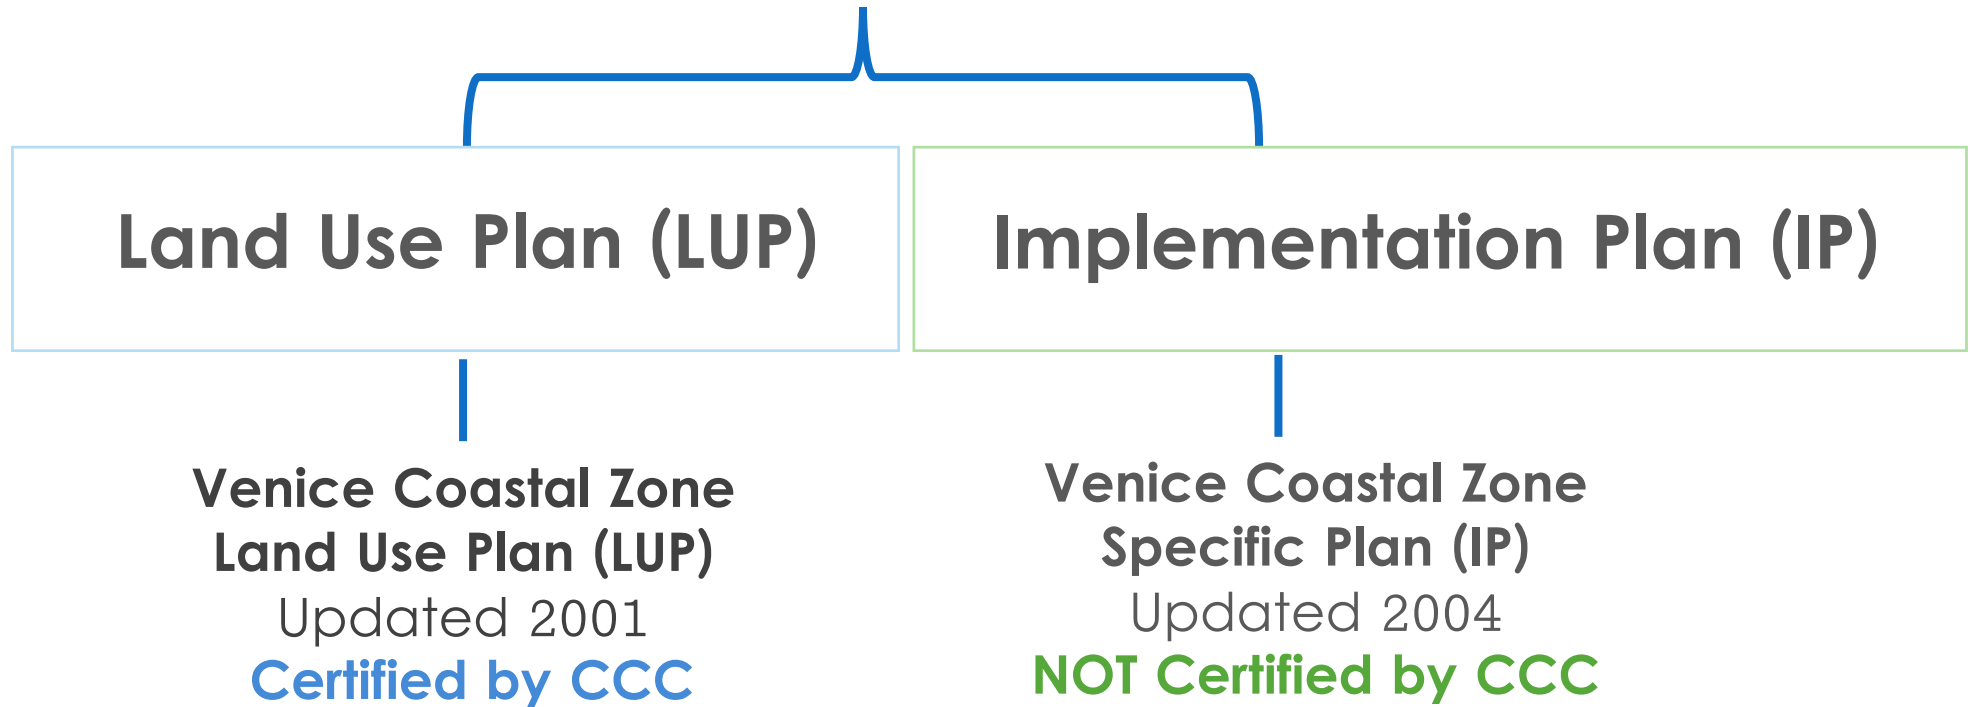

Procedural Requirements

DOESN'T VENICE ALREADY HAVE A CERTIFIED LOCAL COASTAL PLAN?

- The Venice Coastal Zone has a certified Land Use Plan
- The Venice Coastal Zone does not have a Certified Implementation Plan
- **Therefore, the Venice Coastal Zone does not have a Certified LCP**

Local Coastal Program (LCP)

WHAT IS THE PURPOSE OF CERTIFYING THE VENICE LOCAL COASTAL PROGRAM?

The purpose of certifying the Venice Local Coastal Program is to:

- Create compliance with State legislation
- Create greater transparency & predictability in the coastal development review process.

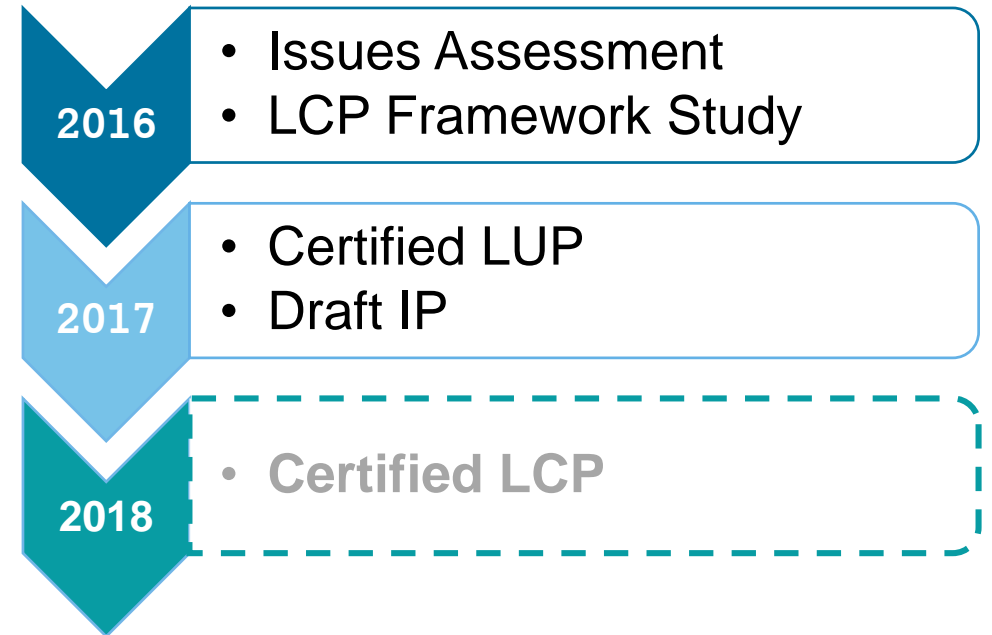

How will we do this?

- Update the Land Use Plan; building upon existing policies in order to reflect the Community's vision
- Address sea level rise and climate change
- Draft an Implementation Plan that is consistent and enforces the Land Use Policies

TIMELINE AND MILESTONES

- California Coastal Commission has an LCP Grant Program which launched in 2013
- The City of Los Angeles was awarded two grants to update the Land Use Plan and draft the Implementation Plan
