Table C

Program Implementation Status

Program Description (By Housing Element Program Names)	Housing Programs Progress Report - Government Code Section 65583. Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.		
Name of Program	Objective	Timeframe in H.E.	Status of Program Implementation
Homebuyer Assistance: Purchase Assistance	366 loans for low-income homebuyers 200 loans for moderate-income homebuyers 72 loans for above moderate-income homebuyers	2006-2014	Loans Funded: Low Income - 65 low Moderate Income - 5 mod Above Moderate Income - 0
Homebuyer Assistance: Mortgage Credit Certificates	168 MCCs for low income homebuyers 252 MCCs for moderate income homebuyers	2006-2014	MCCs Issued: Low Income - 53 Moderate Income - 56
For-Sale Developer Assistance: Forward Commitment Program	Contracts for 30 moderate income homebuyers Contracts for 85 above moderate income homebuyers	2006-2014	Forward Commitment purchase assistance loans provided to 29 homebuyers during 2010.
For-Sale Developer Assistance: Small Sites Development Opportunities	Finance for-sale developments, providing 44 low-income ownership units	2006-2014	No units funded in 2010. Small Sites Program discontinued.
For-Sale Developer Assistance: In-fill Housing Development	45 for-sale moderate income units annually 5 low income units annually	2006-2014	4 projects in development, totaling 70 units, including: 33 moderate income, 28 low income, and 9 very low income units.
For-Sale Developer Assistance: New Housing Opportunities	45 for-sale moderate income units annually 5 for-sale low-income units annually in CRA/LA Downtown project areas	2006-2014	1 project in development, totaling 50 units of which 20% will be affordable units.

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation
(CCR Title 25 §6202)

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

For-Sale Developer Assistance: Response to Housing Opportunities	25 for-sale moderate income units annually 25 for-sale low income units annually in CRA/LA project areas	2006-2014	Status included in program, "For-Sale Developer Assistance: New Housing Opportunities," above.
For-Sale Developer Assistance: Small Lot Subdivisions	314 market-rate units within small lot subdivisions annually	Developer Workshop - 2010 Simplified forms and procedures - 2011 Individual developer consultations - 2006-2014	10 small lot subdivision cases filed with DCP. Developer workshop and improvements to forms and procedures on hold pending budget and staff resources.
Mortgage Revenue Bond Financing for New Rental Housing	75 low-income rental units and 300 above moderate income units annually, through CRA/LA 180 very low-income rental units, through LAHD	2006-2014	Construction completed on one project, including 75 very low income, 3 moderate income and 297 market-rate units. LAHD activity: No new rental housing was funded uniquely (bond only) through the Bond Program in 2010, due to the statewide suspension of Prop 1C bonds for the majority of the period. 275 units were funded using both AHTF and Bond funds.
Affordable Housing Trust Fund for New Rental Housing	4,789 very low income units 479 low income units	2006-2014	In 2010, the AHTF financed the construction of 9 new housing projects, consisting of a total of 723 units (4 of these projects were also funded by the CRA/LA).
New Rental Housing Opportunities	70 very low income, 70 low income, and 60 moderate income rental units annually	2006-2014	<u>Predevelopment:</u> More than 16 projects, totaling over 1,300 units, including over 900 affordable units (6 extremely low income, 183 very low income, 193 low income, 20 moderate income, 504 to be determined). <u>Under construction:</u> 15 projects, totaling 894 units, including 889 affordable units (34 extremely low income, 445 very low income, 144 low income, 239 moderate income, and 27 to be determined). <u>Completed:</u> 7 projects, totaling 521 units, including 519 affordable units (246 very low income, 188 low income, 85 moderate income).
Response to Rental Housing Opportunities	50 very low income, 50 low income, and 50 moderate income rental units approved annually in CRA/LA project areas	2006-2014	<u>Predevelopment:</u> 7 projects, totaling 422 units, including 419 affordable units (10 extremely low income, 146 very low income, 183 low income, 50 moderate income, 30 to be determined). <u>Under construction:</u> 6 projects, totaling 384 units, all affordable units (175 very low income, 69 low income, 140 moderate income). <u>Completed:</u> 1 project, totaling 52 units, all affordable units (24 very low income, 11 low income, 16 moderate income).

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation
(CCR Title 25 §6202)

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

Project-Based Rental Assistance	1,074 (430 extremely low, 644 very low income) households housed through project-based rental assistance vouchers 745 low income units of rental housing	2006-2014	HACLA has a total of 1,077 Allocated Units.
New Generation Fund -- New Affordable Housing	Support the construction of 2,560 new units	2008-2014	One project with 264 units was completed in 2010.
Housing for Senior and Disabled Persons	50 units for very low income seniors annually 50 units for very low income disabled persons annually	2009-2014	Ordinance in development to allow by-right licensed community care facilities for 7 or more residents citywide. CRA/LA activity: <u>Predevelopment</u> : Over 7 projects, totaling 475 units, including 431 affordable units for seniors and/or disabled persons (91 very low income, 211 low income, 129 to be determined). <u>Under construction</u> : 4 projects, totaling 1,217 units, including 1,215 affordable units for seniors and/or disabled persons (8 extremely low income, 83 very low income, 28 low income, 3 moderate income, 1,093 to be determined). <u>Completed</u> : 2 projects, totaling 193 units, including 119 affordable units for seniors and/or disabled persons (20 very low income, 70 low income, 29 moderate income).
Housing For All Household Sizes and Types	75 large family low income units 75 small low income units	2006-2014	DCP reviewed projects for land use entitlements and project readiness to support public funding applications. CRA/LA activity: <u>Predevelopment</u> : Over 12 projects, totaling 1,241 units, including over 600 affordable units (at least 200 affordable family units). <u>Under construction</u> : 13 projects, totaling 1,864 units, all affordable, including 253 efficiency units, 1,093 1-bedroom units and 129 family units. <u>Completed</u> : 5 projects, totaling 341 units, all affordable, including 235 efficiency units. HACLA activity: There were no developments or acquisitions of large family units in 2010.

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

Innovative Housing Unit Design	50 very low income units of alternative multi-family housing 50 very low income units with universal design elements Provide assistance to developers and property owners during project review	Establish Task Force to review City Codes - 2009 Task Force report and recommendations - 2010 Revised regulations - 2011 Individual developer consultations - 2006-2014	DCP provided one-on-one pre-development land use counseling for applicants. Task Force and recommendations for revised regulations on hold pending budget and staff resources.
Alternative Multi-Family Development	20 second units on lots annually, including 6 low income units, 7 moderate income units and 7 above-moderate income units	2006-2014	Building permits were issued for 22 second units on residential lots.
New Programs to Increase the Production of Affordable Housing	Introduce Motion	December 2008	The Mayor's Office has worked with the City's family of housing-related agencies in order to find ways to increase the City's production of affordable housing. Despite budgetary pressures on the traditional sources of funds used to create affordable housing, the City has managed to produce units. For example, the City continues to finance the creation of permanent supportive housing units, as well as continues to acquire multi- and single-family units through the federal NSP for rehabilitation.
Small Sites for Affordable Housing	Report to Mayor and City Council Draft ordinance, policies, procedures as determined in study	Ordinance, policies, procedures - 2010	On hold pending budget and staff resources. CRA/LA activity: 3 projects in predevelopment.
Adaptive Reuse	450 market rate and 50 affordable housing units annually	Report on impediments and analysis of requiring affordable component - 2009 Revised ordinance - 2010 Facilitate proposed developments - 2006-2014	Building permits issued for 91 adaptive reuse units. CRA/LA activity: <u>Pre-development</u> : 2 projects, totaling 143 units, all affordable. <u>Completed</u> : 1 project, totaling 66 units, all affordable. Report on analysis of requiring an affordable housing component and a proposed ordinance on hold pending budget and staff resources.

Jurisdiction City of Los Angeles

Reporting Period 1/1/2010 - 12/31/2010

Public Facilities Zoned Land: Joint Use Opportunities	Create opportunities for 50 very low and 50 low income units during the planning period	Identify potential LAUSD sites - 2006-2008 Secure entitlements for housing on 2 LAUSD sites - 2008-2011 Propose 5 sites to LAUSD Board - 2010-2014	Data not available.
Infill Opportunities	Assist planners and developers to identify 10 new locations for residential development annually	Identify software needs and costs - 2011 Create pilot on ZIMAS - 2012	On hold pending budget and staff resources.
Infill Opportunities: Downtown Center	Create locations for 700 housing units, including 40 moderate, 30 low, and 30 very low income units	2008-2014	Building permits issued for 64 single family units and 667 multifamily units in downtown. 5 cases in the downtown area were filed with DCP, totaling over 225 units.
Coordination of Infrastructure Improvements	Facilities financing plan in up to 8 updated Community Plans	Develop template for community plan-specific infrastructure needs - 2009 Matrix of infrastructure costs - 2010 Create financing methodology and adopt with new Community Plans - 2011-2014	A facilities chapter for each of 7 new Community Plans was in development. The facilities chapter will identify existing infrastructure programs/plan/services and projects to be implemented by various agencies. Financing Plans are not being prepared due to lack of funding necessary to conduct the required studies for such plans.
Permanent and New Funding Sources for the Affordable Housing Trust Fund	\$100,000,000 annually	2006-2014	2010 SOURCES: HOME and CRA \$85.6 million DWP* \$6.4 million Bond Proceeds \$919,000 NSP 2 \$35 million -(ARRA - one-time infusion of funds) EECBG (Energy Efficiency Community Block Grant) \$4.7 million (ARRA- one-time infusion of funds) LHTFP (Local Housing Trust Fund Program) \$2.6 million CDBG \$328,095 HOPWA (Housing Opportunities for Person with AIDS) \$1 million TOTAL \$136.5 MILLION

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation
(CCR Title 25 §6202)

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

<p>Advocate for State and Federal Housing Funds</p>	<p>Support State and Federal bills that provide funds for affordable housing development in the City of Los Angeles in each legislative session</p>	<p>2006-2014</p>	<p>CLA activity: Supported State legislation or administrative action that would (1) Establish a permanent source of State funding for affordable housing programs, including the Multifamily Housing Program, C-Home, Infill Infrastructure Grant Program, and the TOD Housing Program, to ensure that the City of Los Angeles can continue to leverage State funds with the Affordable Housing Trust Fund; (2) Pursue a collaborative agreement with the County of Los Angeles in order to select applicants to receive Mental Health Services Act funding, which would further ensure that the Los Angeles Housing Department's Permanent Supportive Housing Program is more financially viable; and (3) Expand shelter and temporary housing services for individuals and families becoming homeless as a result of the economic downturn, including but not limited to up to 60 days of hotel/motel voucher assistance for qualified individuals or families, and use for daytime shelters.</p> <p>CLA activity: Supported Federal legislation including HR 168, the Housing Opportunities Made Easier (HOME) Act, which would authorize 150,000 additional Section 8 vouchers for tenant-based rental assistance to help meet the housing needs of low-income families.</p> <p>The Mayor's Office has participated in advocacy for the preservation and increase of funds for affordable housing. Through active tracking and monitoring, the Mayor's Office has used its varied resources and tools to communicate the critical importance of maintaining and where possible, increasing state and federal funds for the financing and creation of affordable housing. At the federal level, several bills were actively tracked; at the state level, the City took positions on four bills related to housing; land use and issues around foreclosure were key.</p>
<p>Advocate for State and Federal Housing Funds (continued)</p>			<p>The LAHD tracked the proposal before the State of California to implement a permanent source of funding for affordable housing. A flat fee on real estate documents was projected to generate \$1 Billion annually for affordable housing development. The LAHD produced a bill analysis in support of said proposal. Likewise, the LAHD tracked the progress of various proposals to establish a dedicated funding source for the federal government's National Housing Trust Fund (NHTF). Due to the budget crisis, these initiatives did not gain traction in 2010.</p>

ANNUAL ELEMENT PROGRESS REPORT

Housing Element Implementation

(CCR Title 25 §6202)

Jurisdiction City of Los Angeles

Reporting Period 1/1/2010 - 12/31/2010

Affordable Housing Public Benefit Fee	Complete nexus study to establish a Public Benefit Fee Adopt amendments to the Zoning Code to implement a Public Benefit Fee Target \$20 million in fees collected to support affordable housing development and/or infrastructure improvements	Nexus Study - 2009 Adopt Ordinance - 2010 Collect Fees - 2010-2014	Work on the Nexus Study continued through 2010, with completion anticipated in 2011.
Downtown TFAR Public Benefit Fee	\$20 million for affordable housing development	2007-2014	In conjunction with DCP, CRA/LA initiated "Allocation of Floor Area Rights" (AFAR) for the remaining developable Floor Area Rights in the Bunker Hill Project Area. The Floor Area Rights can be used on development projects in the Bunker Hill Project Area to increase FAR for a maximum development of 13:1. Public Benefit Payments to acquire the AFAR can be used towards affordable housing, as well as other public benefits such as public open space, and historic preservation.
Off-Site Parking Options	Reduce the cost of housing production by reducing the cost of parking in 10 neighborhoods	Draft State Building Code amendments for robotic parking structures - 2010 Amend State Building Code for robotic parking structures - 2012 Robotic parking for 10 projects - 2010-2014	Continued collecting funds for the Venice parking impact trust fund. The fund will be used for improvements identified in the Westside Parking Study, that is an element of the Westside Mobility Study currently being prepared by a consultant.
Cooperative Labor Agreements and Cooperative Materials Purchasing Agreements	Demonstration cooperative agreement for labor and/or materials among several residential developers	2009-2014	No activity in 2010. One project pending in 2011.
Land Ownership Alternatives	Demonstration project with one or more developers employing alternative land ownership structures	2010-2014	One project in pre-development, Bethune Library site: proposed ownership by Figueroa Land Trust with 50 affordable units.
Case Management and Case Processing Assistance	Assist 50 projects per year	Identify roles; program structure, fees; train staff - 2007-2009 Individual developer consultations - 2006-2014	DCP assisted over 150 projects. Data on LADBS activity not available.

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation
(CCR Title 25 §6202)

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

Employer-Assisted Housing	Create 50 moderate and 50 above moderate housing units as demonstration project with one employer	2008-2014	No activity in 2010.
Systematic Code Enforcement Program (SCEP)	Inspect 1,629,553 units	2006-2014	In Calendar Year 2010, SCEP inspected 198,047 units.
Single Family Rehabilitation	3,052 extremely low income units 2,050 very low income units 1,178 low income units	2006-2014	Minor home repairs services provided: Extremely low-income - 1342 Very low-income - 537 Low-income - 434
Residential Rehabilitation	189 very low income units 290 low income units	2006-2014	LAHD residential rehabilitation programs were discontinued due to funding reductions in 2008. CRA/LA activity: <u>Under construction:</u> 2 projects totaling 1,093 units, all affordable. <u>Completed:</u> 1 project, totaling 16 units, all affordable.
Utility Maintenance Program	Prevent the vacation of 2,050 master-metered apartment buildings	2006-2014	The actual cases are significantly less than the number anticipated (400) due to a lower number of cases referred by the Los Angeles Department of Water and Power. Further if there was an open Rent Escrow Account Program (REAP) case at the same property at the time, there was no need to open a separate escrow account for UMP as utility shut-off prevention (water and gas) payments are incorporated in the services provided through REAP. No. of Referrals from DWP - 17 Total number of open cases at the end of 2010 - 68

Preservation of Affordable Housing	Preserve affordability in up to 15,850 expiring units	2006-2014	<p>The LAHD continued with its efforts to preserve affordability of expiring at-risk affordable housing. LAHD completed an analysis of the existing HUD at-risk portfolio to develop a mechanism to identify the properties most at-risk of conversion to market. Approximately 100 properties (9,500) units were identified with the highest "conversion" risk potential. The LAHD developed a Notice of Funding Availability (NOFA) scoring system for at-risk developments. The City Council approved the at-risk assessment criteria/guidelines as part of the 2011 First Round Affordable Housing Trust Fund (AHTF) NOFA. The LAHD completed Phase One of this web based portal system provides a centralized repository for all affordable housing production by all City agencies. The LAHD owner outreach and education and interagency coordination resulted in the renewal and long-term preservation of rental subsidies of 14 key HUD-assisted properties totaling 246 units. Further, the LAHD conducted monitoring activity to enforce the State's notification requirement law. This action resulted in the renewal of one property; a total of 60 units.</p> <p>CRA/LA identified and tracked housing units that will convert to market rate units. CRA/LA assistance extended affordability covenants for an additional 55 years at Stovall Terrace.</p> <p>HACLA continues to participate in the efforts to preserve affordable housing by making vouchers available when needed.</p>
Preservation of the Rental Housing Stock - Condominium Conversions	Propose Zoning Code amendment	2009	Program continued to be on hold, pending budget and staff resources.
Condominium Conversions	Complete Study Draft ordinance	Complete study - 2009 Ordinance to City Planning Commission - 2010 Ordinance to City Council - 2010	Program continued to be on hold, pending budget and staff resources.
Demolitions - Preservation of Community Character	Complete Study Draft ordinance	Complete study - 2009 Ordinance to City Planning Commission - 2010 Ordinance to City Council - 2010	Program continued to be on hold, pending budget and staff resources.

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

Preservation of Rent-Stabilized Housing Units	Preserve 633,000 RSO units	2006-2014	RSO & Primary Renovation & Tenant Habitability Programs are in effect & tools in preserving 638,000 RSO units & encouraging reinvestment in rental housing stock. LAHD provided training & info to the public on provisions of these programs. 295 rent adjustment applications were processed & over \$14 million in property improvements were approved.
RSO Enforcement	Refer 60 cases to the city Attorney annually	2006-2014	LAHD activity: RSO Investigations & Enforcement programs have been strengthened through filling of several supervisory positions & staff training. 5,106 cases were investigated & 60 cases sent to the City Attorney. The remainder were resolved in-house. Outreach on tenant & landlord rights & responsibilities has been expanded. OCA activity: In 2010, a total of 60 cases were referred to the City Attorney. In addition, there were 43 City Attorney Office hearings (CAOH) conducted. During the same period, the City Attorney closed 100 cases due to voluntary compliance pre and post-CAOH.
Preservation through Transfer of Ownership	Rehabilitate 20 substandard housing units per year	2006-2014	CRA/LA provided \$250,000 grant to SRO Housing Corp to take over operation of Marion Hotel & Norbo Hotel after the owner/operator filed Chapter 7.
Mortgage Revenue Bond Financing for Rehabilitation of At-Risk Rental Housing	Rehabilitate 524 low-income units annually	2006-2014	In 2010, no bond only funded preservation deals were rehabilitated. One preservation project was funded with AHTF and bond funds (Swansea Phase A- 82 units).
Affordable Housing Trust Fund (AHTF) - At-Risk Rental Housing Rehabilitation	Rehabilitate 113 low-income units annually	2006-2014	In 2010, one preservation project was awarded funding through the AHTF. Bixel House will consist of 77 low and very-low income units.
Public Housing Annual Inspections	All public housing units inspected annually All Section 8 units inspected annually	2006-2014	HACLA will continue to conduct annual inspections of all units under the Public Housing and Section 8 programs.
Lead-Safe Housing: Privately-owned Housing Units	Complete lead abatement in 90 extremely low income units Complete lead abatement in 135 very low income units Complete lead abatement in 225 low income units	2006-2011	Completed lead abatement in housing units: Extremely Low Income: 52 Very Low Income: 36 Low Income: 34

Lead-Safe Housing: HACLA Housing Units	Abate lead-based paint hazards in 35 units annually	2008-2014	In 2010 HACLA abated four units due to lead-based hazards.
At-Risk Affordable Housing Tenant Outreach and Education	Involve up to 8,000 residents of identified at-risk units in preservation efforts	2006-2014	LAHD conducted outreach and education to 1,712 families located in 57 at-risk properties. These efforts resulted in renewals of rental subsidies, physical condition inspections of at-risk buildings, compelling the owners to make necessary repairs, smooth the conversions from Project-based to Tenant-based subsidies and preventing the illegal eviction of Section 8 assisted tenants.
Preserve Affordability Covenants of At-Risk Units	Monitor all 15, 850 units with expiring covenants Extend and preserve affordability of up to 2,000 at-risk units	2006-2014	The LAHD continued to use second year MacArthur Foundation grant funds to enhance its Affordable Housing Preservation Program (AHPP) to better coordinate its efforts with other city departments and target its resources to preserving affordable rental housing by hiring additional staff and channeling resources to undertake a four-prong complementary initiative: 1) Rental Housing Data; 2) Coordination of Housing Entities; Outreach, Technical Assistance and Training, and 4) Policy Analysis and Public Education. The LAHD held its first City of Los Angeles Affordable Housing Preservation Summit. The Summit was attended by more than 130 participants, representing owners and managements companies of at-risk expiring affordable housing, policy makers, tenant advocates, preservation purchasers and housing developers.
Mortgage Revenue Bond Financing -- Rehabilitation of Affordable Rental Housing	Rehabilitate 540 very low-income units	2006-2014	No non-preservation rehabilitation project was funded uniquely through the bond program in 2010 due to the statewide suspension of Prop 1C for the majority of the reporting period. One non-preservation deal was funded with AHTF and Bond funds (36th St & Broadway- 27 units).
Urgent Repair Program	Prevent the vacation of 4,509 market-rate apartment buildings due to life-safety Housing Code and the California Health and Safety Code violations	2006-2014	During calendar year 2010, LAHD's Urgent Repair Program ensured the timely repair of hazardous Code violations for 616 cases.

Nuisance Abatement in Vacant Residential Buildings	Respond to 31,000 nuisance complaints on residential properties annually Resolve nuisance issues on 25,000 residential properties annually Special Note regarding technical error: The objectives for this program should be "Respond to 3,500 nuisance complaints" and "resolve 2,500 nuisance issues."	2006-2014	In 2010, a total of 212 cases were opened and reviewed by the Office of the City Attorney. In addition, 118 cases were closed by the OCA. No DCP activity in 2010. (Note: DCP addresses commercial and industrial properties only, and refers all residential cases to LAHD and LADBS.) Data on LADBS activity not available.
Citywide Nuisance Abatement Program	1,200 chronic problem properties and nuisance issues resolved annually	2006-2014	In 2010, CNAP opened 791 properties. Of these, 504 cases were Medical Marijuana Dispensaries. During the same period, the City Attorney closed 166 cases. DCP participated in CNAP efforts. The Safe Neighborhoods and Gang Division of the Los Angeles City Attorney's Office includes Project TOUGH (Taking Out Urban Gang Headquarters). Prosecutors assigned to TOUGH are involved in multi-agency task forces formed, in part, to address nuisance gang and narcotics properties in the City of Los Angeles. In 2010, TOUGH opened approximately 28 cases for filing, case conference or eviction and closed 13 cases. Data on LADBS activity not available.
Rent Escrow Account Program (REAP)	5,820 cases	2006-2014	Number of new cases accepted: 806 Total number of open cases at the end of 2010 - 1698
Housing Enforcement (Inter-Agency Slum Housing Task Force)	500 properties subjected to Task Force review and/or prosecution annually	2006-2014	In 2010, the City Attorney's Housing Enforcement Section received and reviewed 420 cases submitted by the participating Task Force agencies. *In addition, the City Attorney personnel conducted 165 Pre-Filing Case Management Conferences (PFCMC) with property owners. During the same period, Housing Enforcement filed 265 cases, charging over 1,899 code violations. A total of 125 cases were returned to agencies for supplemental investigation and 80 cases were returned due to pre-filing compliance. *This effort resulted with 2,231 rental units brought into compliance often via post-conviction court hearings.
New Ownership of Substandard Housing	Adopt a receivership program Place 25 properties into receivership annually	2006-2014	No activity in 2010.

<p>Advocate for Affordability Preservation Funds</p>	<p>Support State and Federal Bills that provide funds for preserving affordable housing in each legislative session</p>	<p>2008-2014</p>	<p>LAHD tracked and supported federal and state legislation that will increase resources and regulatory modifications for the preservation of federally-assisted affordable housing at risk of conversion to market-rate.</p> <p>The LAHD sponsored and supported the following legislation/laws: 1) AB 2347 (Feuer) - Mortgage defaults: secondary public financing. LAHD was the lead sponsor of this bill, which was chaptered into law on September 2010. This law seeks to lessen impacts of the foreclosure crisis on publically financed housing. 2) SB 454 (Lowenthal) - Preservation of existing affordable housing (State Notification Requirements), chaptered into law on September 2010. This law, which was set to sunset on January 1, 2011, makes the State's Notice Requirement Law (i.e., preserve the one-year advanced written notification of expiring or terminating action of affordability restrictions) permanent. The City played a critical role in the passage of this law by providing at-risk housing data and technical assistance to both the author and supporting agencies throughout the legislative session. This permanent law will further LAHD's affordable housing preservation efforts.</p> <p>The LAHD tracked and supported the following legislation: • H.R. 4868 - Housing Preservation and Tenant Protection Act of 2010 • National Housing Trust Fund (NHTF) • Preservation, Enhancement, and Transformation of Rental Assistance (PETRA) • Choice Neighborhoods Initiative (CNI) • Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act • Transportation, Housing, and Urban Development (T-HUD) FY11 Appropriations</p>

Jurisdiction City of Los Angeles

Reporting Period 1/1/2010 - 12/31/2010

Los Angeles Inter-Agency Preservation Working Group	Citywide and subregional efforts to create strategies for preserving at-risk housing Regular reports on strategies identified	2008-2014	Six meetings were convened with the collaboration of the Los Angeles Preservation Working Group (LAPWG). The LAPWG is comprised of LAHD, CRA/LA, HACLA, HUD staff, affordable housing developers, advocates and legal services organizations. The six meetings served to strategize to preserve the City's affordable housing stock by sharing information, tracking expiring inventory, and the development of creative preservation strategies and transactions.
New Generation Fund - Preservation of At-Risk Housing	Support preservation of 640 low-income units	2008-2014	No loans were completed in 2010.
Rent Stabilization Ordinance (RSO)	Maintain registration of 633,000 units annually Protect tenants from unreasonable rent increases while providing landlords with a just and reasonable return	2006-2014	Registration of approximately 638,00 RSO units is required annually. RSO continues in effect & fully operational. \$1 million RSO Study completed & findings & recommendations forwarded to City Council. Outreach & education program completed & outreach expanded. RSO limits/prevents arbitrary evictions. 245 landlord declarations of intent to evict were processed & 154 tenant households were provided approximately \$1.4 million in relocation assistance through LAHD contractor.
Housing Choice Voucher Program	Maintain 37,000 Section 8 vouchers for very low-income households	2006-2014	HACLA has allocated 41,088 vouchers (including HUD-VASH) for very low-income households.
Section 8 Vouchers for Disabled and Elderly Households	Continue to provide 518 vouchers	2006-2014	In 2010 a priority was offered through our various programs that assist the homeless, such as HUD-VASH, Homeless, MRP, SPC and PBV.
Real Estate Owned (REO) Acquisition	50 REO properties purchased by low-income households 50 REO properties purchased by moderate-income households	2006-2014	This program was combined with the NSP - Foreclosed Properties program described below.
Neighborhood Stabilization Program--Foreclosed Properties	1,000 moderate income units (120% of AMI) or below acquired, rehabilitated, and resold/rented 25 percent of all funding for very low income units (50% of AMI) and below	2009-2014	NSP Housing Units Acquired - 168 units NSP Housing Units Rehabilitated - 13 units
Mortgage Revenue Bond Financing -- Affordable Units in Market Rate Housing	Rehabilitate 90 units for very low-income households	2006-2014	No market rate projects were funded through the Bond program in 2010, due to the statewide suspension of Prop 1C for the majority of the reporting period.

Historic Preservation	25 units per year in historic structures for moderate income households Accessible unit(s) in every project	2006-2014	<u>Pre-development:</u> Rehabilitation of the historic Dunbar Hotel, including CRA/LA and LAHD properties, totaling 83 units. <u>Under construction:</u> Permits issued for rehabilitation of the historic Boyle Hotel in the Eastside/Adelante Redevelopment Project Area, including reconfiguration of 32 hotel rooms into 31 affordable units and new construction of an addition of 20 affordable units on an adjacent parcel. CRA/LA conducted an historic preservation study in the Normandie 5 project area to assess inventory of historic structures.
Incentives for Affordable Housing in Historic Preservation Overlay Zones	Rehabilitation of 10 homes occupied by low-income households in HPOZs annually	Establish interdepartmental working group to identify potential incentives - 2010 Report to Council on incentives - 2011 Incentives established and posted - 2012	In 2010, DCP approved Mills Act contracts for 42 properties in HPOZs.
Mills Act Implementation	25 homes annually	2006-2014	In 2010, DCP approved 53 contracts, including: 3 multi-family properties, 1 commercial property, and 49 single-family properties.
Rent Stabilization Training Program	Complete development of training materials Distribute information	Report to Council - 2009 Adopt new measure - 2010	LAHD cannot legally compel property purchasers & new managers to attend property management training. Landlords in Rent Escrow Account Program (REAP) are required to attend Property Management Training Program (PMTP) classes & others may attend voluntarily. LAHD coordinates & provides training for 36 PMTP sessions annually for approximately 1,000 landlords & managers.
Property Management Training Program	Training completed for 3,413 management entities	2006-2014	During calendar year 2010, LAHD referred 1,409 property owners who failed to comply with the Department's Orders to repair health and safety Code violations to attend the Property Management Training Program to receive instruction pertaining to property management and maintenance, as well as related rental topics.
Coastal Zone Monitoring	Annual reports on the status of the affordable housing stock in the Coastal Zone Monitor and enforce compliance with affordability covenants	2006-2014	No new covenants for affordable units were executed in 2010. The annual report on new construction, conversion and demolition of housing in the Coastal Zone areas during 2010 is pending availability of staff resources to complete the research.

In 2010, 15 cases were filed with DCP that included a density bonus request.
Downtown Affordable Housing Bonus	Adopt amendments to the Zoning Code to implement incentives in Downtown 40 moderate, 30 low, and 30 very low income affordable units annually	Adopt ordinance - 2007 Post on web site and disseminate to developers - 2008-2014 Individual developer consultations - 2008-2014	DCP provided one-on-one consultations with residential developers. DCP reviewed several projects to support public funding applications. CRA/LA monitored implementation of the ordinance.
Affordable Housing in the Coastal Zone (Mello Act Implementation)	Adopt amendments to the Zoning Code to implement inclusionary and replacement housing requirements in the Coastal Zone Adopt amendments to the Affordable Housing Incentives Program Guidelines to facilitate implementation of affordable housing requirements in the Coastal Zone 45 very low income units 30 low income units 50 moderate income units	2006-2014	No amendments to the Zoning Code or the Affordable Housing Incentives Program Guidelines in 2010.

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation
(CCR Title 25 §6202)

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

Expedite Affordable Housing Projects	Adopt amendments to the Affordable Housing Incentives Program Guidelines to facilitate implementation of expedited processes for affordable housing development Prioritize affordable housing projects to expedite processing of permits and any related entitlements Reduce building permit processing time by up to 3 months Reduce entitlement processing time by up to 3 months	2010-2014	DCP activity on hold pending budget and staff resources. Data on LADBS activity not available.
Community Plan Affordable Housing Targets	Break down the citywide RHNA housing goals plus other unmet housing needs (fair share goals) among the 35 community plans by affordability level and units	2008-2014	7 Community Plans in development, including policies and objectives addressing affordable housing needs.
Neighborhood Level Affordable Housing Programs	Central City West: 670 low-income units Playa Vista: 190 moderate-income for-sale and 100 low-income rental units in Phase 1, and 125 moderate-income for-sale and 83 low-income rental units in Phase 2 Warner Center: 1200-1300 workforce housing units (200 per year for the next 6 years) by 2014	2006-2014	Central City West: 2 cases approved, including 123-unit 100% affordable project and 376-unit project with 15% low income units. Playa Vista: In 2010, Phase 2, tract map was approved, with recordation of the tract map anticipated in 2012. Construction of Phase 2 affordable units will follow recordation of the tract map. Warner Center: No activity in 2010. 7 Community Plans in development, including consideration of affordable housing incentives for targeted growth areas.

(CCR Title 25 §6202)

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

Redevelopment Project Area Housing Programs	Adopt inclusionary affordable housing requirements within each redevelopment project area's Five Year Plan in conformance with the Community Redevelopment Law	2006-2014	Adopted North Hollywood Project Area Five-Year Implementation Plan (FY2011-14) including inclusionary housing programs on June 17, 2010. Monitored implementation of affordable housing requirements within the Pacoima/Panorama City Project Area's Five-Year Implementation Plan to comply with Community Redevelopment Law. Adopted the 2010-14 Five Year Implementation Plan in December 2009. Hollywood 5-year Plan 2009-2014 in effect. East Hollywood 2010-2014 in effect. Implementation Plans produced for each project area in South LA region.
Redevelopment Project Area Workforce Income Housing Programs	Adopt Workforce Income Housing Program Guidelines	2008-2014	No activity in 2010.
Preservation Barriers Assessment	Identify development standards that pose compliance difficulties for preservation projects Adopt amendments to the Zoning Code to alleviate challenges	2006-2014	On hold pending budget and staff resources.
Streamlined Review Process for Redevelopment Project Areas	Reduce entitlement processing time for residential development by at least 3 months	2006-2014	DCP staff coordinated project review with CRA/LA staff to streamline and avoid duplication of effort, including design review and the preparation of environmental review documentation that both agencies use in the respective agency review and approval procedures. Budget and staff reductions prevented significant improvements to entitlement processing time.
Improvements to Entitlement Processing	Complete fee study of entitlement processing costs Amend the Zoning Code to implement full cost recovery Reduce entitlement processing time for residential development by at least 3 months Reduce the number of City departments involved in approving and signing-off for building permit issuance	Issue request for proposal for consultant - 2008 Fee study completed and approved by Council - 2009 Ordinance adopted with new fees - 2010 Streamlined procedures designed by interdepartmental working group - 2008-2009 System for condition clearance designed, tested, implemented - 2009-2014	Development of departmental reorganization plan to reconfigure teams and team functions to more efficiently and effectively review and process development cases, including organization by geography and one case-one planner approach. Implementation of new organizational structure planned for 2011. Department-wide staff training conducted in anticipation of staff transferring to new functions. Training materials posted on DCP internal website.

(CCR Title 25 §6202)

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

Development and Design Standards	Reduce need for entitlements for residential development projects Include development and design standards in 16 Community Plans	2008-2014	7 Community Plans in development.
Zoning Code Reform	Adopt Zoning Code amendments to streamline the review and approval process Adopt various packages of grouped code amendments	2008-2010	City Planning Commission approved 2 Zoning Code Amendments--single and multiple approvals, and core findings--and City Council adoption anticipated in 2011. Amendment regarding planned unit developments in development with presentation to City Planning Commission in 2011.
Amend the Zoning Code to Facilitate Non-Conventional Housing	Adopt amendments to the Zoning Code to accommodate innovative multifamily types	2008-2014	Ordinance in development to allow by right licensed community care facilities for 7 or more residents citywide.
Update the Los Angeles Building Code	Adopt the CBC	2006-2008	Program completed.
Complete Community Plan EIRs	Minimal environmental review (i.e., Negative Declaration) required for residential development projects	2008-2014	7 Community Plans and corresponding Program EIRs in development.
Modifications to Small Lot Subdivision Process	Identify development standards, code requirements, and procedures that pose compliance difficulties for small lot subdivisions Adopt amendments to the Zoning Code to alleviate challenges	2006-2014	On hold pending budget and staff resources.
Modifications to Second Unit ("Granny Flat") Process	Identify development standards and code requirements that pose compliance difficulties to Second Unit Process Adopt amendments to the Zoning Code to alleviate challenges	2008-2014	Zoning Administrator Memorandum issued in 2010 providing guidance on implementing State provisions governing the development of second units on residential lots. Zoning Code amendment is not needed because City is not pursuing additional standards or provisions.
Streamline Affordable Housing Covenant Process	Reduce time needed to prepare affordable housing covenants Reduce time needed to obtain clearance from LAHD for building permits Annual report on covenant production and processing time	2006-2014	On hold pending budget and staff resources. A covenant processing timeline was developed to track the status of each project from the receipt of land use application to the recordation of the covenant.

ANNUAL ELEMENT PROGRESS REPORT

Housing Element Implementation

(CCR Title 25 §6202)

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

Inter-Agency and Inter-jurisdictional Coordination	Leverage 7:1 (instead of current 4:1) in additional County, regional, State and Federal funds to local funds for residential development	2006-2014	<p>The leverage ratio for 2010 projects increased to approximately 6:1.</p> <p>As the Continuum of Care lead, LAHSA submits on an annual basis the SuperNOFA application for federal funds. This year, the Request for Proposal (RFP) included a joint criteria developed in conjunction with the Housing Authorities.</p> <p>HACLA coordinates the Permanent Supportive Housing NOFA with HACLA and Los Angeles County.</p> <p>CRA/LA coordinated with HACLA for the Jordan Downs Redevelopment.</p> <p>The Mayor's Office continues to lend its support, and when possible, resources to further interagency coordination. In the last year, the Mayor's Office lent its support and continued to participate and sponsor meetings across agencies to streamline processes and maximize leveraged funding. With pressures and cuts on public funds for the development of affordable housing, the recent push has been on salvaging county and federal funds that finance the development of affordable housing.</p>
Crime Prevention through Environmental Design (CPTED)	40 residential projects given technical assistance and recommendations annually	2008-2014	DCP provided one-on-one developer consultations and referred applicants of proposed developments to LAPD for assistance.
Neighborhood Watch	Technical support and assistance to 20 new Neighborhood Watch programs annually	2008-2014	Data not available.
Safer City Initiative	10% reduction in criminal activity on Skid Row annually 400 homeless persons directed to housing and service programs annually	2007-2014	The Mayor continues to prioritize public safety in the City. The Safer City Initiative has and continues to make steady progress in the reduction of crime in the city's core/skid row. Addressing homelessness through the provision of services, and where possible, placement of individuals and families in permanent, supportive housing, is the ideal the City strives toward.
Health-based Buffer Zones for Residential Neighborhoods	Establish appropriate buffers in 12 Community Plans Make modifications to the Zoning Code and project-based mitigation measures as necessary	2008-2014	<p>7 Community Plans in development, including development of buffer/transition areas between residential and hazardous, noxious uses.</p> <p>No Zoning Code modifications in 2010. No changes to project-based mitigation measures. On a case-by-case basis, DCP has required Health Risk Assessments (HRAs) on projects to gauge health risks from polluting sites and determine appropriate mitigation.</p>

Reducing Construction-Related Pollution	Revised construction-related pollution guidelines Changes to Zoning Code, Building Code and project-based mitigation measures as necessary	2008-2014	On hold pending budget and staff resources. Data on LADBS activity not available.
Increase Access to Parks, Recreation Areas and Green Spaces	Increased accessibility to parks and open spaces designated in 16 Community Plan Updates	2008-2014	7 Community Plans in development, including consideration of guidelines to facilitate access to parks and open spaces.
Zoning and Neighborhood Implementation Tools for Mixed Use Development	1,000 housing units in mixed use development Identify targets in all Community Plans Adopt ordinances if appropriate	2008-2014	7 Community Plans in development, including consideration of mixed-use nodes and boulevards, requiring mixed-use in such areas with design standards for mixed-use developments. 2 cases were filed for zone changes to Residential Accessory Services (RAS) zones, including one 44-unit project and one 500-unit project.
Healthy Neighborhoods	Adopt Healthy Neighborhood Policy with guidelines for sustainable practices and implement policy 30 units for extremely low income (30% AMI) annually 90 units for very low income (50% AMI) annually 130 units for above-moderate income (up to 200% AMI) annually	2009-2014	Projects in Hollywood, East Hollywood and Normandie 5 project areas utilized the Healthy Neighborhoods Policy, providing over 80 very low income and 78 low income units.
Childcare Facilities	5 childcare facilities and 375 slots in residential projects 6 childcare facilities and 450 slots in commercial development and/or near transit	2008-2014	DCP tracking of the development of childcare facilities (including the number of facilities and the number of slots) on hold pending budget and staff resources. CRA/LA activity: Caroline Severance Manor includes a child care facility for approximately 80 pupils. Contract executed.
Million Trees LA -- Public Property and Rights-of-Way	300,000 trees planted on public property and public rights-of-way	2006-2014	Since the program launch in September of 2006, Million Trees LA (MTLA) has planted over 330,000 trees increasing the overall new tree planting rate by as much as 6 fold. Prior to the MTLA program, the City, non-profits and new developments was planting approximately 10,000 annually (based on City's Urban Forestry Division information).

ANNUAL ELEMENT PROGRESS REPORT

Housing Element Implementation

(CCR Title 25 §6202)

Jurisdiction City of Los Angeles

Reporting Period 1/1/2010 - 12/31/2010

Walkability Checklist	Integrate Walkability Checklist into the project review process	2006-2014	Walkability Checklist was integrated into the project review process.
Urban Design Studio	Establish Urban Design Studio as a division within the DCP Maintain Urban Design Studio with an annual operating budget Increase staff to run Urban Design Studio	2006-2014	Urban Design Studio maintained in 2010 but with reduced staff and as a unit within the Policy Planning division due to budget constraints.
Stormwater Collection and Mitigation	Adopt on-site stormwater design guidelines Integrate on-site stormwater design guidelines into project review process	2008-2014	Low-impact development ordinance in development with City Council adoption anticipated in 2011.
Green Streets	Adopt stormwater design guidelines for public rights-of-way Integrate stormwater design guidelines into project review process regarding needed off-site improvements	2008-2014	Stormwater design guidelines and Green Street Standard Plans, developed by an interdepartmental Green Streets Committee and adopted in 2010, provide construction details for green street elements. Guidelines integrated into project review regarding Stormwater Best Management Practices.
Landscape Design	Integrate Landscape Ordinance into project review process	2008-2014	Landscape Ordinance continued to be part of project review throughout 2010. DCP prepared a Technical Bulletin for DCP staff regarding implementation of the Ordinance.
Reduced Requirements for Housing near Transit	Adopt revised traffic impact study policies Reduce traffic mitigation requirements for housing near transit	2006-2014	In 2010, the City updated the Traffic Study Guidelines. The new policies and guidelines allow development projects near transit to reduce their overall project trips. This helps projects when assessing impacts (less trips = less impacts). Projects on or adjacent to a station for fixed rail are given the highest trip reduction.
Transit Oriented District Studies	Complete 10 transit oriented district studies Incorporate study recommendations into the Community Plans	Complete TOD plan for La Cienega/Jefferson TOD - 2007 Council authorization to fund 9 TOD plans - 2007 Contracts approved for consultant teams - 2008 Complete 9 TOD plans, adopt ordinances - 2009-2010	9 TOD studies completed in 2010. Four Community Plan updates in development that include the station areas and will incorporate study recommendations. An additional 10 TOD studies were initiated for station areas along the Blue and Green Lines in the South Los Angeles and Southeast Los Angeles Community Plan Areas. TOD studies were also underway within the Cornfield Arroyo Specific Plan and Warner Center Specific Plan.

Reporting Period 1/1/2010 - 12/31/2010

Reasonable Accommodation	Train DCP staff on processing Reasonable Accommodation requests Produce and disseminate materials regarding Reasonable Accommodation process	2007-2014	Reasonable Accommodation Checklist, a standard DCP application form, was maintained and used to confirm an applicant's qualification for reasonable accommodation provisions. One-on-one training of DCP staff conducted regarding the processing of reasonable accommodation requests. Zoning Administrator Memorandum issued confirming the waiver of fees related to reasonable accommodation requests.
ADA Compliance Officer(s)	Reasonable accommodation provided in all appropriate and covered facilities and programs including residential shelters	2006-2014	There were 285 sign language interpreter services and 92 Communication Access Realtime Translation (CART) reasonable accommodation requests that were processed and provided. In addition, 16 requests were processed and provided for ADA equipment and personnel assistants from city employees. DOD provided the 2010 ADA Coordinator Training Workshop to monitor city departments and council offices in their efforts to comply with the ADA and Rehabilitation Act of 1973. A total of 41 ADA Coordinators were in attendance. The ADA Oversight Committee approved, processed and delivered five Wheelchair Lifts to LA City Recreation and Parks for designated locations throughout the city. In addition, 21 Evacuation Tracks and 35 Evacuation Chairs were approved, processed and delivered to LA City General Services Department for placement at multi-story buildings LA Citywide.
Office of the City Attorney Dispute Resolution Program (DRP)	Refer and resolve 50 housing disputes related to persons with disabilities	2006-2014	DOD Computerized Information and Referral Center provided four direct referrals to the DRP for landlord/tenant disputes, with the clients then being responsible for contacting DRP staff. Majority of CIC housing disputes were referred to the Eviction Center and Housing Rights Center due to the immediate crisis with time restraints and high risk of homelessness. Despite ongoing outreach efforts, DRP has not received any housing dispute referrals from either the Los Angeles Housing Department or the Department of Disability.
Citywide Fair Housing Program	Receive 600 fair housing inquiries annually Resolve 480 fair housing investigations annually Conduct 67 fair housing training sessions annually Train 35 new fair housing testers annually Answer 1,400 calls regarding fair housing issues annually through the Fair Housing/Predatory Lending Hotline	2006-2014	LAHD received 1,242 fair housing inquiries ; resolved 526 fair housing investigations; conducted 79 fair housing training sessions; trained 42 new fair housing testers; answered 8,058 calls regarding fair housing issues through the Fair Housing/Predatory Lending Hotline.

ANNUAL ELEMENT PROGRESS REPORT

Housing Element Implementation

(CCR Title 25 §6202)

Jurisdiction City of Los Angeles
Reporting Period 1/1/2010 - 12/31/2010

Community Reinvestment	Implement a demonstration program in at least one low or moderate income neighborhood	2008-2014	The City continues to seek ways to reinvest in communities with dwindling public sources of funding.
Responsible Lending Training with Financial Institutions	Implement a demonstration outreach and training program	2008-2014	With increased attention on the lending practices of financial institutions, especially in light of the major housing bust in 2008-2009 (and continuing today), the City continues to seek ways to incent and compel financial institutions to reinvest and conduct business with the City's residents and businesses.
Housing Information Clearinghouse	Establish a consolidated housing information database on the City's website	2006-2014	No activity in 2010. HACLA in 2010 continued to use Social Serve for property listings.
Housing Information Services	Identify avenues to distribute and disseminate information	2008-2014	CRA/LA established and implemented program, website and outreach to community to promote homeownership program in Council Districts 6 and 7. HACLA continued to conduct voucher issuance sessions, worked with program partners to disseminate information and used Social Serve for property listings.
Don't Borrow Trouble: Education against Home Equity Fraud and Predatory Lending Scams	Answer 60 DBT/predatory lending calls annually through the Fair Housing/Predatory Lending Hotline	2006-2014	Answered 76 DBT/predatory lending calls annually through the Fair Housing/Predatory lending hotline.
Education for Buyers and Homeowners	3,000 individuals assisted annually	2006-2014	1,515 homebuyers attended homebuyer education classes.
Education for Property Owners	Provide education about housing management practices and regulations and promote knowledge of housing rights	2006-2014	CRA/LA on-going activity.
