Table C

Program Implementation Status

| Program Description (By Housing Element Program Names) | Housing Programs Progress Report - Government Code Section 65583. Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element. | | | | |
|---|---|-------------------|--|--|--|
| Name of Program | Objective | Timeframe in H.E. | Status of Program Implementation | | |
| Landscape Design | Integrate Landscape Ordinance and Low Impact Development; Ordinance into project review process. | 2013-2021 | The City continued to capture, treat and infiltrate stormwater and urban runoff by utilizing the recently adopted Low Impact Development Ordinance, as well as additional water conservation measures. | | |
| Density Bonus | Create 375 non-subsidized very low income units; Create 750 non-subsidized low income units; Create 187 non-subsidized moderate income units; Make revisions to the density bonus provisions in the Code and the Affordable Housing Incentives Program Guidelines. | 2013-2021 | In 2017: 91 Cases Filed for 4496 Total Units with 1380 Restricted Affordable Units. 34 Projects permitted for 1177 Total Units with 717 Very Low Income, 605 Low Income and 143 Moderate Income Units | | |
| Affordable Housing in the Coastal Zone (Mello Act Implementation) | Adopt amendments to the Zoning Code to implement inclusionary and replacement housing requirements in the Coastal Zone; Adopt amendments to the Affordable Housing Incentives Program Guidelines to facilitate implementation of affordable housing requirements in the Coastal Zone; 45 very low income units; | 2013-2021 | Work continues to progress toward a public review draft of a permanent ordinance implementing the Mello Act in the Coastal Zone portions of the City of Los Angeles. | | |

| | 30 low income units; 50 moderate income units | | |
|---|---|-----------|---|
| Zoning for Health Facilities | Adopt amendment to Zoning Code to remove restrictions on locations of public health and treatment program facilities. | 2013-2021 | No Activity in 2017 |
| Sustainable Building Materials and Practices | Integrate guidelines into project review process; Develop and maintain an outreach website. | 2013-2021 | The LADBS and LADWP implements the sustainable building materials requirements of the Green Building Code. Guidelines regarding sustainable building materials are integrated into project reviews. |
| Home Energy Improvement Program | Provide free green assessments to property owners. | 2013-2021 | No Status Update for 2017 |
| Recycle Construction Waste | Establish incentive program for source separation of construction and demolition waste; Establish rebate program for construction and demolition waste taken to a City-certified waste processor; Adopt ordinance to require construction and demolition waste to be taken to a City-certified waste processor. | 2013-2021 | The Citywide Construction and Demolition (C&D) Waste Recycling Ordinance became effective January 2011. Requires that all mixed C&D waste generated within City limits be taken to City certified C&D waste processors (BOS is responsible). |
| Recycling Collection in Residential Development | Provide on-site recycling bins and weekly pickup for all residential developments. | 2013-2021 | Discussions began that would lead to recycling on multiple family and commercial developments. |
| Congestion Management Program Land Use Strategy | Report on all projects developed and all demolitions around major transit stations and transit corridors annually; Certify compliance with the Los Angeles County Congestion Management Program annually. | 2013-2021 | No Status Update for 2017 |
| Computerized Information Center/Information & Referrals for Persons with Disabilities | Assist 150 or more clients seeking homeless services and housing resource referrals annually. | 2013-2021 | No Status Update for 2017 |
| New Resources for Rental Assistance | Increase the funding base for rental assistance for homeless households and households at high risk of homelessness. | 2013-2021 | The City allocated \$10.1M of general funds for Rapid-Rehousing to house up to 1,000 homeless persons and homeless veterans. LA City has received 530 HUD-VASH vouchers to house homeless veterans. The Housing Authority also allocated 500 housing choice vouchers to house veterans who do not meet the HUD-VASH program requirements. Ballot Measures H and HHH were passed in November 2016, but the funds won't be The City allocated \$10.1M of general funds for Rapid-Rehousing to house up to 1,000 homeless persons and homeless veterans. LA City has received 530 HUD-VASH vouchers to house homeless veterans. The Housing |

| | | | Authority also allocated 500 housing choice vouchers to house veterans who do not meet the HUD-VASH program requirements. Ballot Measure HHH, for \$1.2 billion over 10 years of capital funding for homeless facilities and housing, was approved in November 2016, but the funds won't be available until 2017. |
|--|--|-----------|--|
| Resources for Housing Serving the Mentally III | Pursue funding towards permanent housing units for homeless mentally ill annually. | 2013-2021 | Supported the County's request to apply Affordable Health Care Act funding for housing. |
| Homeless Housing and Services Coordination | Citywide and sub-regional plans to reduce and end homelessness adopted by the City Council; Regular reports on financial management; Regular reports on contract management and program implementation; Report on applicability of Standards for Excellence criteria being developed by Home for Good. | 2013-2021 | In 2017, regular Coordinating Council meetings and Special meetings hosted and facilitated by LAHSA continue. During each meeting, there was at east one SPA Representative present or on the phone to represent each SPA in Los Angeles, as well as other attendees including City and County government, and LAHSA representatives. |
| Access New Resources and Services for the Homeless | Periodic reports on legislative and budgetary initiatives. | 2013-2021 | The City Council voted to commit 12.4 million for emergency relief to get homeless people off the streets before the anticipated El Niño winter storms. This includes \$10 million in short-term rent subsidies for veterans and other homeless people, and \$1.7 million for emergency shelter beds. It marks the first time in city history that general fund dollars have been used for homeless aid. In addition, the City made an initial investment of \$2.9M in F/Y 15-16 to scale up the Coordinated Entry System by increasing outreach workers to find homeless residents and place into a housing placement pipeline. This funding also supported CES administrative staff positions. |
| City Homeless Coordinator | Periodic reports on homeless housing and service delivery and recommendations for improvement. | 2013-2021 | In the 2017 Homeless Count, there were approximately 34,189 homeless individuals, families, and youth on any given night in the City of Los Angeles (a 20% increase from 2016). 74% of the City's homeless population is unsheltered. Monthly Homelessness Cabinet meeting have been held each month. |
| Office of the City Attorney Dispute Resolution Program (DRP) | Refer and resolve 20 housing-related disputes. | 2013-2021 | The DRP continues providing comprehensive dispute resolution services including information, referral, conciliation, mediation, facilitation and consultation services. The DRP reviews Rent Stabilization Ordinance (RSO) case files, contacts the parties (landlord and tenant) involved in the dispute, and invites them to resolve their conflict through mediated dialogue in lieu of prosecution. |
| Family Solutions System | Initiated seven regional Family Solution Systems throughout the Los Angeles CoC; Serve approximately 1,200 | 2013-2021 | The Homeless Family Solution System (HFSS) aligned with the Coordinated Entry System for Adults and Youth and renamed itself to Coordinated Entry System (CES) for Families. CES for Families is designed to utilize both |

| | homeless and at- risk persons per year. | | centralized and decentralized access points to quickly identify and move families experiencing homelessness into more stable housing situations. The Family Solution Centers (FSC) operate as the ¿front door¿ to the homeless system serving families in LA County. Each FSC utilizes a standardized screening, triage, and assessment process to help connect families to the housing intervention that best meets their needs. The following additional components will be added this year: -Bridge Housing: a 24/7 shelter model designed for higher vulnerable familiesDiversion: Flexible resources and case management to ensure households can be stably housed without coming into the homeless shelter system. As a result of the passage of Measure H, additional resources have been added to the CES for Family System to meet the increasing demand. 2017 will also see the stregthening of the co-location relatonship with the LA County Office of Education and LA Unified School District. This relationship will bring McKinney Vento Liaisons to each FSC throughtout the County. |
|--|---|-----------|--|
| Due Process Hearing | Conduct 1,300 hearings. | 2013-2021 | Continued implementing inter-agency efforts to create strategies for preserving at-risk housing by restarting, planning and participating in the 2017 Los Angeles Preservation Working Group Meeting (LAPWG). The LAPWG is comprised of housing agencies and service providers such as the regional office of the U.S. Department of Housing and Urban Development (HUD), the Housing Authority of the City of Los Angeles (HACLA), the County of Los Angeles, various legal service organizations, and affordable housing organizations. The LAPWG meets quarterly to share information, discuss strategies and opportunities for the preservation of the City's affordable housing stock. |
| Outreach and Education of Enforcement Programs | Conduct 14 informational workshops. | 2013-2021 | Workshops - 12, Constituents: 254 Division-Wide Hotline Calls - 47,971 Outreach Contractors Interactions with Constituents - 8,400 Division-Wide Constituent Emails - 20,883 Constituents assisted via the public counter 135 Total Division-Wide Constituent Contacts - 77,643 |
| Preservation of Affordable Housing | Preserve and/or extend the affordability of 500 units annually currently part of the City of Los Angeles affordable housing stock. | 2013-2021 | In CY 2017, the HCIDLA facilitated the extension of covenants on two (2) at- risk expiring affordable housing developments through the issuance of Tax- exempt Bond financing (20 units), and the debt restructure and covenant extension of a former Redevelopment Agency (CRA) property consisting of 15 units. |
| Rent Stabilization Ordinance (RSO) | Maintain registration of 638,000 units annually; Protect tenants from unreasonable rent increases while providing landlords with a just and | 2013-2021 | RSO status enforced for current inventory of approximately 653,000 RSO units, including rented condominiums. In 2017, HCID processed 1,179 landlord declarations of intent to evict for no-fault reasons (26% increase from 2016); 1,054 tenant households (60% increase from 2016) were provided over |

| | reasonable return; Maintain registration of 6,500 spaces in 57 mobile home parks; 400 landlord declarations of intent to evict will be processed annually; 300 tenant households will be provided approximately \$3 million in relocation assistance through the HCIDLA contractor annually. | | \$15.4 million in relocation assistance (68% increase from 2016). |
|--|--|-----------|---|
| Neighborhood Stabilization Program Foreclosed Properties | 300 units acquired, rehabilitated, and resold/rented. | 2013-2021 | Property units acquired - 0; property units rehabilitated - 0; property units resold/rented - 2. The NSP Program is in the process of winding down through administrative and accounting activities as well as through 9 remaining projects. |
| Property Management Training Program (PMTP) | Complete 12 Property Management Training programs annually for approximately 420 landlords & managers; Refer non-compliant property to property management training programs provided by partnering apartment owner associations in Los Angeles. | 2013-2021 | In CY 2017, HCICLA staff participated in 12 Property Management Training Programs administered by partnering agencies; HCIDLA mailed 1039 referral letters to non-compliant property owners. |
| RSO Monitoring | Annual report on the status of the RSO inventory; 50 Ellis removal applications processed annually. | 2013-2021 | In 2017, Los Angeles RSO implemented a Rent Registry program, greatly expanding L.A.'s ability to monitor and enforce legal rents for approximately 653,000 RSO units. HCIDLA updated and shared RSO and Ellis status on ZIMAS, making this data publicly available; processed 441 applications for permanent withdrawal of RSO properties from the rental housing market (a 25% increase from 2016), and completed 1,222 RSO status determinations (an 8% increase from 2016). |
| Citywide Fair Housing Program | Receive 7,310 fair housing inquiries annually; Resolve 413 fair housing investigations annually; Conduct 67 fair housing training sessions annually; Train 35 new fair housing testers annually; Maintain the Housing/Predatory Lending Hotline | 2013-2021 | For the period of 1/1/2017 - 9/30/2017 HRC responded to 7,143 inquires; resolved 61 fair housing investigations; conducted 51 fair housing training sessions; trained 16 new testers; and maintained the Housing/Predatory Lending Hotline. |
| RSO Tenant/Landlord Outreach and Education Program | Develop mechanism to ensure disclosure; 120 public presentations will be conducted annually, including Property Management Training Program presentations, community presentations, landlord/tenant workshops and drop-in | 2013-2021 | The RSO outreach and education program continues, including the distribution of updated RSO Awareness materials, highlighting new programs and fair housing and rights of immigrant tenants. In 2017, a new mobile text application to research RSO status of properties was developed. Approximately 262 public presentations, drop in sessions and fair housing seminars were conducted in 2017. HCID Rent/Code Hotline assisted over 106,000 callers. |

| | sessions, and fair housing clinics. | | |
|--|--|-----------|---|
| Fair Housing Research | Complete the AI; Identify and implement action items | 2013-2021 | During the early portion of the calendar year, with assistance from its AFH contractor, the City developed a resident and stakeholder survey for Los Angeles residents and service providers to complete and provide answers to their fair housing experiences and concerns. More than 6,000 City resident surveys were completed by City of L.A. residents. -In addition, staff from HCIDLA and HACLA collaborated with CDC and HACOLA in hosting focus groups under four different topic areas totaling 12 meetings and concluded the City's first phase of public meetings for the AFH process. -During the summer of the calendar year, the City posted the draft AFH Plan for a 45-day public comment period and utilized various media types. In addition, a two-hour public forum was held in the evening to present the key objectives and status of the AFH, as well as solicit verbal and written comments from attendees. -As part of the AFH development, City staff assisted its consultants in editing and drafting the AFH Plan by providing numerous City and County data sources (for the creation of maps, analyses, and conclusions to be developed), reviewing draft versions of the AFH Plan, and crafting the Goals and Strategies section of the Plan which is the five-year timeline for achieving significant objectives for the AFH. |
| Domestic Violence Shelter Program | Provide 1,500 individuals with access to public services annually; Maintain 580 shelter and transitional beds annually for domestic violence victims. | 2013-2021 | For the period of January 1, 2017 through December 31, 2017, the City's Domestic Violence Shelter Operations Program served 974 individuals. |
| HOPWA Emergency Shelter and Transitional Housing Program | 1,589-2,162 housing subsidies per year. | 2013-2021 | For the period of January 1, 2017 through December 31, 2017, the HOPWA program provided housing subsidies to 985 clients via various programs. |
| Small Lot Subdivisions | 1400 market-rate units; 100 moderate income units; Revised Small Lot Subdivision Guidelines - 2013-2014; Interdepartmental clarification memo - 2013-2014. | 2013-2021 | 27,544 Units and 73 Cases Filed; 5,827 Units Approved |
| Barriers to Limited Equity Housing Cooperatives | Study barriers to the greater utilization of limited-equity cooperatives; Utilize limited equity co-ops as a tool to facilitate affordable homeownership | 2013-2021 | No Activity in 2017 |
| Mobile Home Park Preservation | Assist 100 mobile park tenants; 250 | 2013-2021 | No Activity in 2017 |

| | market-rate mobile home park pads in residential areas preserved. | | |
|--|---|-----------|--|
| Housing and Services Planning for Persons Living with HIV/AIDS | Regularly updated plan for the use of HOPWA grant funds. | 2013-2021 | In progress. |
| HOPWA Centralized Countywide Housing Information Services Clearinghouse | Assist between 25,140-36,000 clients seeking HIV/AIDS housing information annually. | 2013-2021 | For the period of January 1, 2017 through December 31, 2017, the HOPWA program provided 35,587 separate instances of housing information and referrals to low-income, HIV positive clients. |
| Collaboration on Data Production and Collection | Additional data from Federal, State, regional and County agencies; Homeless Count with City of Los Angeles data | 2013-2021 | The DCP is working on a Growth and Infrastructure Report for 2017 that detailed population, housing, employment and development trends through July 2017, including estimated growth since the 2010 census based on a range of date sources fro the City, state, regional and federal agencies. The Homeless Count report is published on the LAHSA website. |
| Census 2020 | Census forms and methodologies that better reflect the City's needs. | 2013-2021 | Initial work continued in 2017 to prepare for the 2020 Census. |
| Housing Needs Assessment by Community Plan Area | Housing Needs Assessment by Community Plan Area | 2013-2021 | The nine community plan updates in progress in 2017 each analyzed housing needs. The plans employ a variety of strategies to produce and preserve housing for a variety of incomes and needs. The San Pedro Community Plan was adopted in 2017 after vigorous policy development around issues of affordable housing and displacement. At least five of the proposed plans are expected to create affordable housing bonus programs. |
| Database for Evaluating Housing Needs | Database of current socioeconomic and demographic data on DCP website; Periodic reports of socioeconomic and demographic data. | 2013-2021 | The DCP also updated its public (web) database of population and housing estimates by sub-areas of the City, including baseline 2010 Census information. |
| Consolidated Plan | Complete 1 and 5-year plans | 2013-2021 | Completed the Consolidated Plan updates. |
| Expedite Affordable Housing Projects | Reduce building permit processing time by up to 12 months; Adopt amendments to the Affordable Housing Incentives Program Guidelines to facilitate implementation of expedited processes for affordable housing development; Prioritize affordable housing projects to expedite processing of permits and any related entitlements; Assist 20 affordable housing projects per year; Reduce entitlement processing time by up to three months | 2013-2021 | The BuildLA program, which will significantly increase efficiency in the development process, continued to move forward in 2017. |

| Implement CEQA Streamlining Measures | Allow for streamlined environmental review (i.e. SCEA) required for Infill and Transit Priority Projects; Assist 10 Transit Priority Projects and Infill Projects per year. | 2013-2021 | Work progressed in 2017 with a consultant to assist in the facilitation of CEQA streamlining measures outlined by this program. The program should be complete, with staff fully trained by 2018. |
|--|---|-----------|--|
| Second Unit (Granny Flat) Process | 30 second units on lots annually; Identify development standards and code requirements that pose compliance difficulties to second unit process; Adopt amendments to the Zoning Code to alleviate challenges. | 2013-2021 | With the adoption of AB 2299 and SB 1069, the City drafted a new Accessory Dwelling Unit (ADU) ordinance to comply with the new State ADU law, which was effective on Jan. 1, 2017. The City Planning Commission approved the draft ordinance in December 2016 and the ordinance is currently under consideration. |
| Zoning and Neighborhood Implementation Tools for Mixed Use Development | 1,000 housing units in mixed use developments; Identify targets in all Community Plans; Adopt ordinances if appropriate. | 2013-2021 | New by-right mixed-use zones (called Community Plan Implementation Overlays - CPIOs) are being developed along transit-rich commercial corridors in the nine draft Community Plan updates. Transit Neighborhood Plans are also creating new mixed-use zones to protect jobs and housing mix. |
| Housing Element Relationship to Land Use Entitlement and Long-Range Planning | Annual report to City Planning Commission. | 2013-2021 | No Activity in 2017 |
| Entitlement Case Management and Expediting for Green Building Projects | Reduce plan check process time for 50 Tier 1 and 2 projects | 2013-2021 | Expediting green projects is done through the regular expedite process. Case management offers service to green projects. |
| Building Design for Sustainability | Guidelines developed and updated; Integrate guidelines into all project reviews. | 2013-2021 | No Activity in 2017 |
| SurveyLA - The Los Angeles Historic Resources Survey | Complete citywide survey; Publish results. | 2013-2021 | The SurveyLA project finished its surveying of Los Angeles community plan areas for historic and/or culturally significant resources in 2016, including completion of reports for Northeast Los Angeles, Central City and Central City West. It also completed a Field Survey Results Master Report in August 2016. The Report is intended for use as a cover document for all CPA reports and provides detailed information about SurveyLA methodology and further defines terms used in the reports. |
| Downtown Affordable Housing Bonus | 300 moderate, 225 low, and 225 very low income affordable units; Study whether program is meeting objectives and ways to make improvements. | 2013-2021 | Market rate projects continued to take advantage of the provisions of the program. However, no developers are believed to have received the affordable housing bonus in 2017. |
| Community Level Affordable Housing Programs | Playa Vista: 125 moderate-income for- sale and 83 low-income rental units in Phase 2; Cornfield Arroyo Seco: 20 very low-income and 46 low-income units; Central City West: 500 low-income units; | 2013-2021 | In June 2017, the City Planning Commission (CPC) unanimously recommended approval of the updated South and Southeast Los Angeles Community Plans. A key element of the Plans are the Community Plan Implementation Overlays (CPIOs) ¿ a zoning tool that implements many of the Plans ¿ goals and policies including incentivizing affordable and mixed-income |

| | Creation of 10 community plans with affordable housing incentives. | | housing around the area¿s 30 bus and rail stations. |
|---|---|-----------|---|
| Reasonable Accommodation | Train City Planning Department staff on processing Reasonable Accommodation requests; Produce and disseminate materials regarding Reasonable Accommodation process; Improve forms and outreach. | 2013-2021 | No Status Update for 2017 |
| Zoning and Development Standards for Homeless Housing | Adopt amendment to zoning code to facilitate by-right siting of shelter and transitional housing facilities. | 2013-2021 | Amendments to the Emergency Homeless Shelter Zoning Code (Ordinance 184186) was adopted in March 2017. It amended Section 12.03, 12.80, 12.81 and adds Section 12.82 to the Los Angeles Municipal Code (LAMC) for the purpose of more quickly establishing homeless shelters during a shelter crisis. This includes broadening the definition of ¿shelter for the homeless¿ to include greater types of facilities and providers as well as better aligning City and State law in order to streamline the process for a Mayoral or City Council declaration of shelter crisis and allow the efficient establishment of temporary homeless emergency shelters in response to that declaration. |
| Homeless Needs Outreach | Disseminate information about the housing needs of special needs populations to 2,000 people. | 2013-2021 | No Activity in 2017 |
| Nuisance Abatement in Residential Buildings | Respond to and successfully resolve 30,000 nuisance complaints on residential properties annually. | 2013-2021 | The City's enforcement agencies continued to successfully resolve nuisance complaints on residential properties. |
| Update the Los Angeles Building Code | Adopt the most recent version of the CBC when released. | 2013-2021 | The new building code was updated in December 2013 to incorporate provisions of the 2013 California Building Code, which is based on the 2012 International Building Code. |
| Entitlement Case Management and Expediting for Green Building Projects | Reduce plan check process time for 50 Tier 1 and 2 projects | 2013-2021 | Expediting green projects is done through the regular expedite process. Case management offers service to green projects. |
| Utility Maintenance Program | LADWP-referred cases: 30 DWP utility shut-offs prevented through issuance of payments: 130 | 2013-2021 | During Calendar Year 2017, 119 utility shut offs were prevented, thereby helping to prevent the displacement of tenants. Out of the 119 shut off prevented, 96 were for DWP. |
| Financial Incentives to Conserve Water | Installation of high efficiency clothes washers in 5,000 households per year. | 2013-2021 | This program continues with clothes washer rebates in 2014-15. |
| Incentives to Conserve Energy | 50,000 low income households obtain more energy-efficient refrigerators; 2,000 households retire non-energy | 2013-2021 | No Status Update for 2017 |

| | efficient refrigerators annually. | | |
|--|---|-----------|--|
| Encourage Energy Conservation through Pricing | 10,000 residential customers on the TOU rate | 2013-2021 | There has been substantial growth in the number of time-of-use meters for LADWP electric customers. A separate meter is sometimes required for particular rate incentives. |
| Green Power for a Green LA | 25,000 households choosing alternative energy sources. | 2013-2021 | Currently LADWP's own generation mix includes 23% renewable. As additional solar and wind projects have come on line, and with the termination of LADWP's participation in the Navaho Generating Station, LADWP is on track to reach 33% renewables by the end of 2020. |
| Incentives to Encourage Green Building Solutions in Existing Buildings | Develop green building incentives program for existing buildings. | 2013-2021 | LADWP expanded customer incentives to encourage energy and water efficiency buildings in 2015. The Energy Efficiency Technical Assistance Program (EETAP) was launched in early 2015; this program reimburses building owners for audits and other necessary efficiency project development costs to help more building owners participate. The number of joint programs with SoCalGas continues to expand to serve more customers and help LADWP meet its efficiency goals. Programs assist small buildings (small business direct install), moderate size buildings (energy advantage) and large buildings (LABBC and EETAP, plus new construction projects). In late 2015, the partner utilities launched a joint Energy Savings Assistance Program which provides energy (electric and gas) and water efficiency measures to low-income residents of multi-family buildings in LA. |
| Reduced "Trips" for Housing near Transit and/ or with Affordable Housing Units | Increase the trip credits provided for affordable housing units. | 2013-2021 | In January 2017, the DOT issued new Traffic Study Guidelines, which created new trip generation rates for residential or mixed-use developments that include Affordable Housing Units based on the total number and type of dwelling units reserved as affordable. These trip generation rates are based on vehicle trip count data collected at affordable housing sites in the City of Los Angeles in 2016. |
| Housing Alternatives for Seniors | Find alternative housing solutions for 1,600 senior citizens | 2013-2021 | The Department of Aging contracts with a non-profit organization (currently Affordable Living for the Aging), which provides shared housing services for elderly Los Angeles residents. The organization meets with seniors to provide timely information on upcoming housing opportunities, open wait lists and details about their Shared Housing Program (a service that matches individuals to share private residences throughout Los Angeles County). |
| Housing Legal Services for Seniors | Assist 200 seniors with legal advice each year. | 2013-2021 | The Department of Aging contracts with a non-profit legal services organization (currently Bet Tzedek) to provide free, expert legal advice to assist seniors in various legal issues including: public entitlement, housing related laws, legal aid, landlord/tenant disputes, government benefits, health law consumer protection, nursing home law and powers of attorney. Appointments can be scheduled at any of the 16 Multipurpose Senior Centers. |
| Million Trees LA | Distribute free shade trees to residents to | 2013-2021 | Through the City Plants program, City residents are eligible to receive up to |

| | increase shade, energy efficiency and clean air in individual homes and multifamily residential properties as part of the Million Trees LA program. Plant trees on public property and along City-controlled parkways, medians and other public right-of-ways with appropriate tree canopy to reduce air pollution, provide cooling through shading, and to improve blighted neighborhoods. CDBG, SCAQMD, Private Donations, LADWP Funds | | seven free shade trees. The LA Conservation Corps delivers the trees to a property along with stakes, ties, and fertilizer pellets. Parkway trees and trees in front of businesses are also available. |
|---|--|-----------|--|
| Housing Enforcement (Inter-Agency Slum Housing Task Force) | 500 properties subjected to Task Force review and/or prosecution annually. | 2013-2021 | No Status Update for 2017 |
| Temporary Housing Facilities for Disaster Response | 120 sites available throughout the City within 24 hours of a natural disaster. | 2013-2021 | No natural disasters hit Los Angeles in 2017. |
| Outreach and Training for Emergency Preparedness and Response | 4 fairs during Emergency Preparedness Month annually; 2 Neighborhood Preparedness Ambassadors Trainings annually; Outreach to neighborhood and community groups as requested. | 2013-2021 | The City completed its Regional Disaster Housing Planning activities in 2014. The project focused on residential recovery and reconstruction throughout the 5 county region. The planning activities included a disaster working group comprised of local housing industry representatives as well as state and federal housing and disaster planning experts. |
| Access to Housing for Health Program (AHH) | Assist approximately 70 persons per year. | 2013-2021 | No Status Update Available for 2017. |
| Emergency Shelter and Transitional Housing Facilities | Emergency Shelter (Crisis Housing) beds: Total 3,009 Transitional Housing beds: 1,615 | 2013-2021 | Emergency Shelter (Crisis Housing) beds: Total 3,009 Transitional Housing beds: 1,615 2016 marked the beginning of a trend away from transitional housing as an effective intervention for all homeless populations with the exception of transition age youth. A greater emphasis was placed on the Housing First model in which the priority is to rapidly match persons with permanent housing resources and place them in PH as quickly as possible. |
| Overnight Shelter (Winter Shelter and Year-Round Shelter) | 871 temporary shelter beds year round; 1,335 temporary winter shelter beds. | 2013-2021 | Crisis Housing total: 3,009 beds (City and County General funds, ESG and DPSS funding.) Temporary Winter Shelter beds total: 1,500 beds serving over 8,100 unduplicated individuals (City and County General funds and ESG funds) |
| Job Training and Placement for Homeless Individuals | Provide educational/vocational training and employment placement/retention services to 1000 homeless persons annually. | 2013-2021 | LAHSA subcontractors provide direct education and vocational training to homeless persons. Los Angeles has created a workforce development program (LA R.I.S.E.) that specifically provides supported employment and job coaching to persons who are experiencing homelessness. |

| Permanent Supportive Housing For Homeless Persons | Maintain 1,477 permanent supportive housing units for homeless households annually. | 2013-2021 | Permanent Supportive Housing (PSH) total in 2016: 8,615 beds in 6,549 units. Additional information is unavailable at this time. |
|---|---|-----------|---|
| Biennial Homeless Count | Biennial count and survey of sheltered and unsheltered homeless persons residing in the Los Angeles CoC area. | 2013-2021 | LAHSA continues to increase its volunteer pool to conduct the annual homeless count. In the 2017 Homeless Count, there were approximately 34,189 homeless individuals, families, and youth on any given night in the City of Los Angeles (a 20% increase from 2016). 74% of the City's homeless population is unsheltered. |
| Homeless Management Information Systems (HMIS) Data Collection | All providers receiving City funding shall participate in HMIS. | 2013-2021 | LAHSA, on a yearly basis updates the Housing and Services Inventory that gets submitted to HUD. As of June 2016, the HMIS bed coverage rate approached 55%. |
| | | | Additional information is unavailable at this time. |
| Assistance for Homeless Persons in Accessing Housing and Services | Continue funding 1 organization to reach 300 or more homeless individuals; Explore expanding outreach funding to community based organizations within the City. | 2013-2021 | LAHSA on a yearly basis updates the Housing and Services Inventory that gets submitted to HUD. As of June 2017, the HMIS bed coverage rate approached 53%. |
| Neighborhood Awareness of Special Needs Housing | Establish outreach curriculum; Pursue funding for training program. | 2013-2021 | LAHSA continues to host the Community Quarterly meetings which: (1) provide regular opportunities for community stakeholders and service providers to share information and best practices; (2) deliver important updates on programs funding, grant opportunities, performance measurement, and legislative and policy requirements; (3) Solicit feedback on the implementation and evaluation of CoC goals; and (4) Engage the community in the annual Greater Los Angeles Homeless Count. The timeframe for the meetings are as follows: Quarter 1: March/April, Quarter 2: June/July, and Quarter 3: October/November. |
| | | | In addition, this year, LAHSA expanded to include the Community Information Sessions whose purpose is to educate and inform members of the community on homeless related issues. Through presentations and question and answer breakout sessions, community members are encouraged to ask questions and learn more about the state of homelessness in Los Angeles. Community Information Sessions are held in each of the 8 Service Planning Areas, biannually during the months of April and September, typically run for an hour and a half, and are held at centrally located locations during evening hours so that community members can attend. |
| Technical Assistance to Homeless Housing Providers | Technical assistance provided to 20 providers annually | 2013-2021 | In 2016, LAHSA formed a Capacity Building and Technical Assistance Working Group to address the growing demand for technical assistance among homeless service providers. |

| | | | The Technical Assistance Working Group is made up of TA providers (CSH, Abt Associates, United Way, Shelter Partnership) who are bringing to the table their expertise and resources. The goal of this group is to help identify the Capacity Building and TA needs of the service providers, region, and homeless delivery system and provide the resources and expertise to meet those needs. The Work Group also went after additional funding to increase LAHSA's capacity to provide such technical assistance by 2017. In addition, LAHSA's HMIS Support Team introduced eLearning within the LAHSA HMIS Training Program and offered interactive online HMIS instruction that provide in-depth instruction on how to navigate HMIS, including engaging scenario-based simulations and quizzing elements. The HMIS Support Team also provided technical support for both HMIS and training-related inquiries while it continues to provide HMIS TA to all service providers via its ticket system generated by emails sent to hmissupport@lahsa.org by service providers. Finally, throughout the completion of the Continuum of Care Program Competition process, LAHSA provided daily technical assistance for housing provider applicants. |
|---|---|-----------|---|
| Homebuyer Financial Assistance | During the first year, 80 loans for low- income homebuyers and 30 loans for moderate-income homebuyers; 50 loans for low-income homebuyers per year thereafter, if funding permits; Issue 80 MCCs per year: 40 for low-income and 40 for moderate-income. | 2013-2021 | During this calendar year, a total of 63 loans were funded for first-time homebuyers: 46 for low-income, and 17 for moderate-income homebuyers. Additionally, 91 MCCs were issued: 60 for low-income, and 31 for moderate-income. |
| New Programs to Increase the Production of Affordable Housing | Prepare reports to Council and the Mayor that identify potential policies and programs to address the increase in funding for the production and preservation of affordable housing. | 2013-2021 | Transit Oriented Affordable Housing Incentive Program: On September 22, 2017 the City Planning Department released its final guidelines for the Transit Oriented Communities (TOC) Affordable Housing Incentive Program. The TOC Guidelines establishes new incentives for housing production. Additionally, the TOC Guidelines for any particular area may be tailored to its Community Plan as part of the Department's ongoing update program, provided that the affordable housing requirements of Measure JJJ are met. Draft Permanent Supportive Housing Ordinance: On August 31, 2017, the City Planning Department released its draft Permanent Supportive Housing (PSH) Ordinance as part of the City's Comprehensive Homeless Strategy. On December 14, 2017, the Draft PSH was amended by the City Planning Commission. The proposed ordinance will be moving forward to the City Council for final consideration. State Affordable Housing Package: On September 29, 2017, Governor Jerry Brown signed into law a landmark affordable housing package of 15 bills to help increase the supply and affordability of housing in California. |

| | | | Affordable Housing Linkage Fee Ordinance: On December 13, 2017, Mayor Eric Garcetti signed into law, the Affordable Housing Linkage Fee Ordinance (AHLF), which is expected to generate over \$100 million annually. |
|---|--|-----------|---|
| Monitor and Preserve At-Risk Affordable Housing | Monitor and report on identified assisted affordable housing at-risk of conversion annually through the Annual Progress Report; Involve property owners and residents of identified at-risk units in preservation efforts; Create non-financial strategies and support Citywide and interagency efforts to create strategies for preserving at-risk housing. | 2013-2021 | In CY Calendar Year 2017 (CY 2017), the HCIDLA continued to implement non-financial strategies to extend and preserve affordable housing at-risk of losing its affordability restrictions. The HCIDLA completed the following strategies: HCIDLA contacted 25 property owners/management companies with 429 units of expiring covenanted and assisted at-risk affordable housing. HCIDLA initiated a dialogue to offer a buy-down of affordability approach, restructuring of debt or other options to extend affordability. HCIDLA initiated the process to secure the services of an at-risk affordable housing tenant outreach and education services consultant. These activities are an integral part of the HCIDLA's ongoing citywide preservation efforts. The authority to contract and contract execution is expected in March 2018. Continued implementing inter-agency efforts to create strategies for preserving at-risk housing by restarting, planning and participating in the 2017 Los Angeles Preservation Working Group Meeting (LAPWG). The LAPWG meets quarterly to share information, discuss strategies and opportunities for the preservation of the City's affordable housing stock. |
| Preservation of Rent-Stabilized Housing Units | Preserve more than 638,000 RSO units; Approximately 330 rent adjustment applications will be processed for over \$13 million in property improvements will be approved annually. | 2013-2021 | In 2017, 557 RSO rent adjustment applications were processed (21% increase over 2016) for approximately \$32 million (88% increase over 2016) in property improvements. Of these, 21 applications (4%) were for Seismic Retrofit Work totalling \$9.04 million in seismic upgrades. |
| RSO Enforcement | Investigate and enforce 6,000 RSO violations annually; Refer 60 non-compliant cases to the City Attorney annually. | 2013-2021 | HCIDLA contacted 25 property owners/management companies with 429 units of expiring covenanted and assisted at-risk affordable housing. HCIDLA initiated a dialogue to find out owner's plans for their properties and offer a buy-down of affordability approach, restructuring of debt or other options to extend affordability. HCIDLA will continued to work with these property owners through CY 2018. |
| Transit Oriented District Studies | Complete Transit Neighborhood Plans (TNPs) for 24 transit stations. | 2013-2021 | Significant work took place on 11 future Transit Neighborhood Plans for the next two light-rail lines: Expo Phase 2 and Crenshaw/LAX. The draft Exposition Corridor Transit Neighborhood Plan was presented in 2017. On September 22 2017, the Department released its final guidelines to establish the Transit Oriented Communities (TOC) Affordable Housing Incentive Program. The TOC Guidelines establish new incentives for mixed-income housing production near transit as required by Measure JJJ. |
| <u> </u> | | L | |

| Targeting Growth in Community Plan Areas | Identify targeted growth areas and incorporate appropriate land use designations in 10 Community Plans; Complete Transit Neighborhood Plans (TNPs) for 24 transit station. | 2013-2021 | Each of the 9 Community Plans being updated in 2017 includes targeted growth areas and incorporates appropriate land use designations to achieve citywide and local growth objectives. |
|--|--|-----------|---|
| Jobs/Housing Balance Incentives: Residential Exemptions in Transportation Specific Plans | Add fee exemption for residential units to Transportation Specific Plans that govern employment centers. | 2013-2021 | Work progressed on the development of the Westside Mobility Plan, which amongst other things, aims to expand fees to rental housing development to help pay for area transportation improvements. An exemption and/or credit for the provision of affordable housing units is being considered. Specific Plan drafted and draft EIR being prepared. Open Housing and Public Hearing was on June 23, 2016. |
| Education about Growth, Housing Need, MixedUse and Mixed-Income Neighborhoods | 50 training sessions/workshops; 100 participating neighborhood council members and community organization members annually. | 2013-2021 | The City contracts with the Housing Rights Center (HRC) to conduct presentations and/or workshops different neighborhood councils as part of the Citywide Fair Housing Program. |
| | | | HACLA continued to work with Jordan Downs Community Advisory Committee and the WATTS neighborhood council to provide training and information regarding the redevelopment of Jordan Downs which is proposed to be a mixed use and mixed income neighborhood. |
| Stormwater Mitigation | Integrate on-site storm water design guidelines into project review process. | 2013-2021 | The Low-Impact Development (LID) Ordinance, which effectively replaced the previous stormwater collection and mitigations program, became effective and applicable to most relevant projects in 2012. |
| Planning for Neighborhood Character | 10 updated Community Plans; Implementation tools as appropriate. | 2013-2021 | 6 New Community Plans have been approved through 2017. Three remained in development. They all include consideration of selective downzoning and design guidelines to preserve prevailing scale of development in the neighborhood. |
| Community and Neighborhood Council Development Review | Duplicate case files provided to CNCs for proposed projects; Notifications to CNCs for filed applications bi-weekly; Case filing activity posted on DCP website bi-weekly | 2013-2021 | Duplicate case files and early notification were provided to Certified Neighborhood Councils (CNCs) for all proposed projects in their neighborhoods (through the Certified Neighborhood Council Notification Program and the Early Notification System). The Neighborhood Council Liaison position was maintained by DCP throughout 2017. |
| Neighborhood Preservation - Downzoning | Rezone appropriate areas in 10 Community Plans. | 2013-2021 | 6 New Community Plans have been approved through 2017. Three remained in development. They all included consideration of selective downzoning and design guidelines to preserve prevailing scale of development in the neighborhood. |
| Urban Design Studio | Maintain Urban Design Studio as a division within the DCP; Maintain the Professional Volunteer Program (PVP). | 2013-2021 | The DCP's Urban Design Studio was maintained throughout 2017 to include review and advice on residential projects regarding overall project design and sustainable alternatives for public right of way improvements associated with residential projects. The DCP continued to utilize the Professional Volunteer |

| | | | Program (PVP). |
|---|--|-----------|---|
| Facilitate Housing for Senior and Disabled Persons | Assist in the development of 250 senior units a year; Construct 1750 Eldercare units; Explore the creation of an affordability component to Eldercare Ordinance. | 2013-2021 | No Status Update for 2017. |
| Residential Rehabilitation of Public Housing | Complete revitalization of Jordan Downs, including: 280 extremely low income, 280 very low income, and 140 low income 1-for-1 replacement Public Housing units; 100 new extremely low-income units, 400 new very low- income units (< 60% AMI), 20 low-income workforce housing units (< 80% AMI) and 380 market-rate units. | 2013-2021 | Implementation of the Jordan Downs redevelopment plan continued in 2017. |
| Public Housing Annual Inspections | All public housing units inspected annually. All Section 8 units inspected annually. | 2013-2021 | Public housing and Section 8 units continued to be inspected annually by HACLA. |
| Housing Information | Establish a consolidated housing information database on the City's website; Update available Section 8 Voucher units online. | 2013-2021 | No Status Update for 2017. |
| Rental Assistance for Homeless Households | Maintain 4,000 Housing Choice Vouchers to homeless individuals or households | 2013-2021 | No Status Update for 2017. |
| Predevelopment/Acquisition Financing for the Development of Affordable Housing | Facilitate predevelopment and/or acquisition financing for approximately 500 units annually. | 2013-2021 | A total of 370 units were financed during this calendar year. |
| New Production of Affordable Housing | Add 500 units annually to the City of Los Angeles affordable housing stock; 30% of units to be Permanent Supportive Housing (PSH); Construct housing for seniors, the disabled and large families. | 2013-2021 | Construction began on a total of 621 units, comprising of 541 new construction units and 80 acq/rehab units, of which 156 were Permanent Supportive Housing (PSH) units, and the remaining 452 were family/ senior, and 13 manager's units. |
| Systematic Code Enforcement Program (SCEP)/Gateway to Green | Inspect 180,000 multi-family residential rental units annually for compliance with state health and safety codes and the Los Angeles Housing Code; Achieve code compliance with habitability standards within 120 days of systematic inspection; Initiate contact for complaint inspections | 2013-2021 | In CY 2017, SCEP inspected 181,936 multi-family residential units; achieved 95% code compliance within 120 days of inspection; initiated contact for complaint inspections within three business days 76% of the time; to date, the Department has completed 67,408 Gateway to Green energy surveys, and identified 45,429 properties with energy saving potential. |

| | within 72 hours of complaint receipt 80% of the time; Launch Gateway to Green Program in 2014. | | |
|--|---|-----------|---|
| Foreclosure Registry Program | Maintain a database of contact information of all residential properties within the City of Los Angeles that are subject to Ordinance No. 181,185. | 2013-2021 | HCIDLA registered 7,488 properties in CY 2017, for a total of over 65,762 properties since 2010. HCIDLA implemented both a proactive inspection and monthly inspection in compliance with the Foreclosure Registry Program Ordinance requirements by enhancements made to the Foreclosure Information Management System (FIMS). The FIMS enhancements allows the Los Angeles Department of Building and Safety (LADBS) to pursue their proactive inspections and registrants to report inspections monthly to HCIDLA. HCIDLA inspected 784 foreclosed residential properties in 2017. HCIDLA continues to conduct outreach to lenders/beneficiaries/trustees and their representatives. HCIDLA is innovative in its training process and has conducted multiple webinar presentations and telephone conferences to meet the growing needs of registrants outside of California and across the nation. HCIDLA implemented its GeoRegistry system as a tool for City Departments to report blighted properties in the foreclosure process and to operate as a collaborative tool for City Departments to work to reduce blight in neighborhoods. HCIDLA is collaborating with LADBS, Los Angeles Police Department, Los Angles City Attorney Office-Neighborhood Prosecutors Office, Bureau of Sanitation, and Los Angeles Fire Department to reduce nuisance and blighted properties. Additionally, from 2016 to 2017, the number of new Notices of Default filed in the City of Los Angeles decreased by 24%. |
| Monitor and Report on Housing Production Goals | Quarterly and annual summaries on residential building activity; Annual report on the City's housing production and preservation goals and accomplishments; Annual report on changes in the rental housing stock. | 2013-2021 | The DCP is in the process of producing the 2017 Annual Growth and Infrastructure Report, which included housing production and net changes in the rental housing stock including demolitions and conversions. The DCP also prepared issuance of a 2017 Performance Metrics Report for the Mayor's Office, which focus on the amount of housing growth near transit as well as the percentage of affordable housing created through planning and land use incentives. This report is available through the DCP website at www.planning.lacity.org (under What's New). |
| Monitor and Update the Density Bonus Program | Annual report on affordable housing units produced as a result of land use incentives; Make revisions to the density bonus provisions in the Code; Update the Affordable Housing Incentives Guidelines. | 2013-2021 | The DCP participated in a report for the Mayor's Office (per Executive Directive 13) documents the number and percentage of housing units produced as a result of land use incentives. |
| Expedited Residential Recovery | Issue entitlement approvals within four weeks of application for reconstruction, in the event of a natural disaster; Issue loans and grants within four weeks of application for reconstruction funds. | 2013-2021 | No natural disasters requiring housing assistance occured in 2017. |

| Preservation Barriers Assessment | Identify development standards that pose compliance difficulties for preservation projects; Adopt amendments to the Zoning Code to alleviate challenges | 2013-2021 | The Unapproved Dwelling Unit Ordinance was approved by the City Council and became effective on May 17, 2017. |
|--|---|-----------|---|
| Improvements to Entitlement Processing/ Department Realignment | Complete fee study of entitlement processing costs; Amend the Zoning Code to implement full cost recovery | 2013-2021 | In December 2016, the Department of City Planning completed a comprehensive fee study with a goal of achieving full cost recovery for project planning services. The study and final report indicated the City is recovering approximately 74% of the estimated full cost of providing most fee related services, where the annual revenue collected is less than the estimated fully burdened costs of providing those services. Based on the fee study findings, the Department recommended to City Council revising Los Angeles Municipal Code (LAMC) Section 19.01 through 19.10 to more accurately represent the cost of providing planning and land use services. |
| Single Family Rehabilitation | 384 extremely low-, very low- and low-income units annually. | 2013-2021 | A total of 302 units completed in 2017: 83 are Low-Income; 84 are Very Low-Income;102 are Extremely Low-Income; and 33 are Moderate-Income |
| Foreclosure Eviction Moratorium | Determine the applicability of the moratorium on an annual basis and enforce registration requirement for foreclosed Los Angeles rental properties. | 2013-2021 | The two-year Foreclosure Eviction Moratorium Ordinance continued through 12/31/2017. In December 2017, the Foreclosure Eviction Moratorium was extended through 2020. |
| Healthy Homes and Lead-Safe Housing | Complete interventions in 52 extremely low-, 79 very low- and 131 low-income units annually. | 2013-2021 | Total of 58 units: 37 Very Low-Income; and 21 Low-Income. |
| Urgent Repair Program | Prevent the vacation of 4,500 market-rate apartment buildings due to life-safety Housing Code and the California Health and Safety Code violations. | 2013-2021 | In order to prevent and minimize the potential displacement of residents when affordability covenants or rental assistance contracts are terminated, the HCIDLA initiated the process to secure the services of an at-risk affordable housing tenant outreach and education services consultant. These activities are an integral part of the HCIDLA's ongoing citywide preservation efforts. The authority to contract and contract execution is expected in March 2018. |
| Rent Escrow Account Program (REAP) | Enforce REAP as a vehicle to motivate property owners to maintain their properties and comply with health, safety and habitability standards. | 2013-2021 | In CY 2017, 352 cases (1,384 units) were brought into compliance and removed from REAP. |
| Rent Escrow Account Program (REAP) Rehabilitation Loan Pilot Program | Provide 20 qualifying small-scale property owners with a low interest, deferred payment loan to rectify Housing Code violations; ensure rental units are properly maintained and provide a safe and healthy residence for the tenants of RSO units; and expedite the removal of | 2013-2021 | The HCIDLA continued to monitoring the at-risk affordable housing portfolio and released two Citywide At-risk Affordable Housing Inventory Reports. These reports provide elected officials and the public with information to analyze the potential impact and assist in decision making and allocation of resources. |

| | properties from REAP. Removing the property from REAP will allow the property owner to restore their source of rental income. The pilot program will last for 18 months. | | |
|--|--|-----------|---|
| Billing Information Management System | Maintain Billing Information Management System. | 2013-2021 | Continued outreach and collaborative efforts with L.A. Metropolitan Transit Authority (MTA), Los Angeles World Airports (LAWA), and the Los Angeles Unified School District (LAUSD) to identify properties with above-ground leases. Despite the long term leasing periods for the land and buildings, the Agreements are fluid and enable the leases to be transferred these between operators. This requires the Department to monitor and maintain lessor information, valid and update ownership in BIMS. Note: Above-Ground leases are a relatively new business model, and this information is not accessible through the L.A. County Recorder's Office, since the land remains under the original ownership, e.g. MTA has an underground subway station and then leases the area above the ground to the leasee who then builds a residential rental property. |
| Veterans Affairs Supportive Housing (VASH) | Maintain 1,000 housing vouchers for formerly homeless Veterans. | 2013-2021 | In 2017, HACLA has a total allocation of 4,059 HUD VASH Vouchers |
| HOPWA Supportive Services for Persons Living with HIV/AIDS | Provide between 4,618-6,613 clients with supportive services annually. | 2013-2021 | For the period of January 1, 2017 through December 31, 2017, the HOPWA program provided supportive services to 3,383 clients via various programs. |
| HOPWA Housing Development for Persons Living with HIV/AIDS | Financing commitment to, at minimum, 10 units per year dedicated to serving persons living with HIV/AIDS and their families. | 2013-2021 | The HOPWA program did not provide a financing commitment for the period in question. |
| Development and Design Standards | Include development and design standards in 10 Community Plans | 2013-2021 | Development and design standards remain in each of the draft Community Plans that had been released by the end of 2016. Work continued on the North Westlake Design District in 2016, expected to creates a friendly experience for pedestrians and and promotes mixed-use. The Exposition Corridor Transit Neighborhood Plan released draft plans and guidelines in 2016 and continue to be in progress. The Hybrid Industrial/Live-Work zone was created in 2016. It the first industrial zone of its kind in the City. It allows a mix ofresidential and commercial uses in a manner that will preserve the surrounding industrial and artistic character of the communities for which it was designed. |
| Zoning Code Revision | Adopt a brand new Zoning Code that establishes clear and predictable regulations. | 2013-2021 | During 2017, the Zoning Code revision project called re:codeLA continued to make progress. |
| Amend the Zoning Code to Facilitate Non-Conventional | Adopt amendments to the Zoning Code to | 2013-2021 | The Mayor's Office convened Housing Innovation Working Groups in 2017 |
| · | - | | |

| Housing | accommodate innovative multifamily housing types. | | focussing on issues such as modular housing, container housing, tiny houses and supportive housing. DBS is working on a memo to clarify modular and container housing construction. |
|---|--|-----------|---|
| Homeownership for Voucher Holders | Increase homeownership opportunities among voucher holders. | 2013-2021 | No Status Update for 2017. |
| Project-Based Rental Assistance | 1,074 (430 extremely low-income, 644 very low- income) households housed through project- based rental assistance vouchers. | 2013-2021 | As of April 2017, the City maintained 20,351 Project Based Section 8 units . |
| Lead-Based Paint Evaluation and Abatement Program in Public Housing | Abate lead-based paint hazards in 280 units. | 2013-2021 | No Status Update for 2017. |
| Housing Choice Voucher Program | Maintain 47,500 Section 8 vouchers for very low-income households. | 2013-2021 | No Status Update for 2017. |
| Section 8 Vouchers for Disabled and Elderly Households | Continue to provide 375 vouchers. | 2013-2021 | No Status Update for 2017. |
| Services in Public Housing | 50 residential clients served by educational assistance programs; 100 residential clients served by computer training programs; 100 youth served by recreational, educational and cultural programs; 1,600 residential clients served by career assistance programs; Submit application for Workforce Investment Act Recertification for 2013 -15. | 2013-2021 | No Status Update for 2017. |
| Rental Assistance for Homeless Households with Disabilities | Maintain housing for 2,400 homeless households with disabilities annually. | 2013-2021 | No Status Update for 2017. |
| Land Use Program to Increase the Production of Affordable Housing | Increase the supply of affordable and mixed-income housing; Prepare draft ordinance Schedule 2014 - 2018 | 2013-2021 | A "Value Capture" Ordinance that would clarify and standarize affordability requirements on certain entitlements that allow for greater density and floor area was discussed in the City Council and appears set for adoption in 2017. The Permanent Supportive Housing and Motel Conversion Ordinances that look to increase PSH production with incentives are under discussion by the City Council and look to be adopted in 2018. The Transit Oriented Communities Affordable Housing Incentive Program that incentivize mixed-income and affordable housing projects near transit became effected on September 22, 2017. |
| Innovative Housing Unit Design | 500 units with universal design elements; Provide assistance to developers and | 2013-2021 | The Mayor's Office convened Housing Innovation Working Groups in 2017 focusing on issues such as modular housing, container housing, tiny houses |

| | property owners during project review; Increase the number of affordable, accessible units occupied by persons with special needs. | | and supportive housing. In June 2017, DBS released a memo to clarify modular and container housing construction. |
|---|--|-----------|--|
| Adaptive Reuse | 4,000 market rate and 100 affordable housing units | 2013-2021 | 3 Cases Filed in 2017; 1 Case Approved; No new units |
| Redevelopment of Brownfield Industrial and Commercial Sites | Environmental clean-up of at least five brownfield sites; Create opportunity for 100 units, including 10 very low- and 10 low-income units. | 2013-2021 | In April 2016, the City Council passed the Clean Up Green Up (CUGU) Ordinance. The ordinance does not directly address environmental remediation. However, it combats adverse health effects related to concentrations of industrial uses and freight traffic in three L.A. pilot communities - Boyle Heights, Pacoima/Sun Valley and Wilmington - by creating basic land-use guidelines for development where industrial use and residential neighborhoods intersect, to make them more green-friendly and compatible. New auto body shops, oil refineries and factories will no longer be concentrated next to homes, schools, parks and child care facilities. The ordinance also established improved regulations for air filtration systems citywide. |
| Public Facilities Zoned Land: Joint Use Opportunities | Create opportunities for 50 very low and 50 low income units during the planning period. | 2013-2021 | In July 2017, the City Administrative Officer released a Request for Qualifications and Proposals (RFQ/P) for eight City-owned sites, with multiple parcels, that will either be sold or developed. These sites represent at least \$47 million of the City's plan to invest \$138 million towards homeless programs, services, and housing in Los Angeles during this fiscal year. Separately, the City's Housing and Community Investment Department (HCIDLA) is also advancing a parallel effort to develop 13 City-owned parcels for affordable and permanent supportive housing. |
| Downtown TFAR Public Benefit Fee | \$20 million for affordable housing development; Evaluate whether changes are needed as part of the re:code:LA Unified Downtown Development Code (Program 66). | 2013-2021 | Five projects filed TFAR applications in 2017, representing 1,412,783 square feet of purchased floor area. The Department of City Planning launched a new community planning effort for the downtown area in 2016. The community plan will result in a complete evaluation of the way floor area is offered downtown in the context of creating a new vision for public benefits. |
| Innovative Parking Strategies | Incorporate parking recommendations into Community Plans, Specific Plans and Transit Neighborhood Plans, where appropriate. | 2013-2021 | A parking study completed in 2015 is being used to inform parking recommendations in the Boyle Heights Community Plan Update, which was ongoing in 2017. |
| Preservation of the Rental Housing Stock - Condominium Conversions and Demolitions | Propose Zoning Code amendment or Director's Interpretation. | 2013-2021 | In April 2017, the City Council amended the Rent Stabilization Ordinance (RSO) to address relocation assistance for unpermitted rental units, eviction notices, and other technical changes. The Department of City Planning |

| | | | reported on condo conversions and demolitions in 2017. |
|---|---|-----------|--|
| Historic Preservation | Expand the number of HPOZs and HCMs; Study the provision of a historic rehabilitation grant program for low- income homeowners in HPOZs. | 2013-2021 | Three new HPOZs were adopted by City Council in 2016 - Oxford Square, Sunset Square, and Miracle Mile. All three became effective in March 2017. 14 HCMs were adopted in 2017. |
| Mills Act Implementation | 50 homes annually | 2013-2021 | 22 Cases with Mills Act Recorded |
| Affordable Housing Monitoring | Annual reports on the status of the affordable housing inventory; Monitor and enforce compliance with affordability covenants; Identify affordability covenants in ZIMAS. | 2013-2021 | In 2017, the Affordable Housing Inventory, had a total of 41,812 units in 1,296 projects that were monitored for occupancy. |
| Citywide Housing Production System (CHPS) | Maintain and continue to enhance the Citywide Housing Production System (CHPS). | 2013-2021 | CHPS is currently being transitioned to a new platform to provide a more dynamic data dashboard. The estimated completion date is Q2 of 2018. |
| Housing Element Sites Inventory Update | Annual report on development of sites included in the Inventory of Sites | 2013-2021 | No Activity in 2017 |
