

REFERRAL FORM

AFFORDABLE HOUSING INCENTIVE PROGRAM FBO Project

This form applies to properties subject to zoning established in Chapter 1 of the Los Angeles Municipal Code (LAMC). For properties subject to zoning established in Chapter 1A of the LAMC, please use form [CP-4098.A](#). For more information on a property's applied zoning, visit zimas.lacity.org

This form is to serve as a referral to the Los Angeles City Planning's Development Services Center (DSC) for Faith-Based Organization (FBO) Project cases filed under the Affordable Housing Incentive Program of LAMC Section 12.22 A.39 of Chapter 1 (in addition to the required City Planning Application and any other necessary documentation); and to the City of Los Angeles Housing Department (LAHD), Department of Building and Safety (LADBS), or other City agency for project status and entitlement need purposes. All Applicants are required to provide a complete set of architectural plans at the time that this form is submitted for review. Any application submitted that is missing any required materials will be considered incomplete and will not be reviewed until all materials are submitted.

This form shall be completed by the Applicant and reviewed and signed by City Planning DSC Affordable Housing Services Section (AHSS) Staff prior to filing an application for an entitlement or administrative review. Any modifications to the content(s) of this form after its authorization by AHSS Staff is prohibited. City Planning reserves the right to require an updated Referral Form for the project if more than 180 days have transpired since the referral date, or as necessary, to reflect project modifications, policy changes, bus route changes, bus schedule changes, and/or amendments to the Los Angeles Municipal Code (LAMC), local laws, and State laws.

If a project is only seeking base incentives and on-menu incentives, and no other discretionary approval, this form is not required and the project may proceed directly to the Department of Building and Safety to apply for a building permit, except for projects on sites with Surveyed Historic Resources.

Note: This Referral Form does not constitute a City Planning application. See the Forms webpage for City Planning Application ([CP13-7771.1](#)) and the City Planning Application Filing Instructions ([CP13-7810](#)). If the project is located within a Specific Plan or Overlay Zone, check with the assigned planner prior to preparing these plans, as some have additional or different requirements. An [Assignment List](#) can be found on the City Planning website at <http://planning.lacity.org> under the "About" tab, under "Staff Directory."
