Office Hours and Neighborhood Council Meetings

Let's Keep the Conversations Going!

The Orange (G) Line Transit Neighborhood Plan Team is hosting virtual and in-person Office Hours and visiting Neighborhood Councils in the project's Study Area! Come join us to:

- Tell us your thoughts on the proposed land use and zoning
- Share your vision for the Transit Neighborhood Plan areas in the Southeast Valley
- Learn how the plan will expand housing opportunities, support transit ridership and raise design expectations

We hope to see you soon!
